Introduction

The Edexcel International General Certificate of Secondary Education in Bangladesh Studies is designed for use in schools and colleges. It is part of a suite of International GCSE qualifications offered by Edexcel.

This qualification has been introduced to provide teachers and trainers in Bangladesh with an up-to-date method of assessing students' understanding of the social, historical, cultural and environmental background of Bangladesh.

The development of the qualification has been possible only with advice and feedback from teachers and others in Bangladesh.

Key subject aims

The Edexcel International GCSE in Bangladesh Studies enables students to acquire a sound knowledge and a balanced understanding of the history and culture of Bangladesh, and of the land, people and economy of the country.

About this specification

Key features and benefits of the specification

Key features and benefits are:

- clearly defined subject content
- sufficient time in the examinations for students to demonstrate their knowledge and understanding of the subject content
- an opportunity to focus on contemporary issues in Bangladesh
- a choice of study topics, so that it is not necessary for students to study all sections of the subject content.

Awarding and reporting

The grading, awarding and certification of this qualification will follow the processes outlined in the current GCSE/GCE Code of Practice for courses starting in September 2009, which is published by the Qualifications and Curriculum Authority (QCA). The International GCSE qualification will be graded and certificated on an eight-grade scale from A* to G.

Students whose level of achievement is below the minimum standard for Grade G will receive an unclassified U. Where unclassified is received it will not be recorded on the certificate.

The first certification opportunity for the Edexcel International GCSE in Bangladesh Studies will be 2011.

Students whose level of achievement is below the minimum judged by Edexcel to be of sufficient standard to be recorded on a certificate will receive an unclassified U result.

Language of assessment

Assessment of this specification will be available in English only. Assessment materials will be published in English only and all work submitted for examination and moderation must be produced in English.

Malpractice and plagiarism

For up-to-date advice on malpractice and plagiarism, please refer to the JCQ's *Suspected Malpractice in Examinations: Policies and Procedures* document on the JCQ website www.jcq.org.uk.

Student recruitment

Edexcel's access policy concerning recruitment to our qualifications is that:

- they must be available to anyone who is capable of reaching the required standard
- they must be free from barriers that restrict access and progression
- equal opportunities exist for all students.

Progression

This qualification supports progression to related Level 3 qualifications.

Grade descriptions

Grade descriptions are provided to give a general indication of the standards of achievement likely to have been shown by candidates awarded particular grades at International GCSE. The descriptions must be interpreted in relation to the specification content; they are not designed to define that content. The grade awarded will depend, in practice, upon the extent to which the candidate has met the Assessment Objectives overall. Shortcomings in some aspects of the assessment may be balanced by better performances in others.

Grade A

Grade A candidates will be expected to:

- communicate in a clear and coherent manner using appropriate terminology and good English
- accurately recall, select and deploy relevant knowledge and understanding about the history and culture of Bangladesh and about its land, people and economy
- make well-balanced judgements on historical events and environmental issues by evaluating differing values, viewpoints and solutions
- demonstrate a thorough understanding of concepts and themes such as cause and consequence, continuity and change, similarity and difference and people-environment relationships and sustainability, using accurate and relevant evidence.

Grade C

Grade C candidates will be expected to:

- communicate in a coherent manner using appropriate terminology and sound English
- recall, select and deploy relevant knowledge and understanding about the history and culture of Bangladesh and about its land, people and economy
- make judgements on historical events and environmental issues by recognising differing values, viewpoints and solutions
- demonstrate an understanding of concepts and themes, such as cause and consequence, continuity and change, similarity and difference and people-environment relationships and sustainability, using limited evidence.

Grade F

Grade F candidates will be expected to:

- communicate in an understandable form, using simple terminology and basic English
- recall a limited amount of accurate and relevant knowledge about the history and culture of Bangladesh and about its land, people and economy
- recognise at a basic level the existence of differing values and attitudes that influence historical events and environmental issues
- demonstrate a basic understanding of concepts and themes, such as cause and consequence, continuity and change, similarity and difference and people-environment relationships and sustainability.

Support and training

Edexcel support services

Edexcel has a wide range of support services to help you implement this qualification successfully.

ResultsPlus – ResultsPlus is an application launched by Edexcel to help subject teachers, senior management teams, and students by providing detailed analysis of examination performance. Reports that compare performance between subjects, classes, your centre and similar centres can be generated in ‘one-click’. Skills maps that show performance according to the specification topic being tested are available for some subjects. For further information about which subjects will be analysed through ResultsPlus, and for information on how to access and use the service, please visit www.edexcel.org.uk/resultsplus.

Ask the Expert – Ask the Expert is a new service, launched in 2007, that provides direct email access to senior subject specialists who will be able to answer any questions you might have about this or any other specification. All of our specialists are senior examiners, moderators or verifiers and they will answer your email personally. You can read a biography for all of them and learn more about this unique service on our website at www.edexcel.org.uk/asktheexpert.

Ask Edexcel – Ask Edexcel is Edexcel’s online question and answer service. You can access it at www.edexcel.org.uk/ask or by going to the main website and selecting the Ask Edexcel menu item on the left.

The service allows you to search through a database of thousands of questions and answers on everything Edexcel offers. If you don’t find an answer to your question, you can choose to submit it straight to us. One of our customer services team will log your query, find an answer and send it to you. They’ll also consider adding it to the database if appropriate. This way the volume of helpful information that can be accessed via the service is growing all the time.

Examzone – The Examzone site is aimed at students sitting external examinations and gives information on revision, advice from examiners and guidance on results, including re-marking, re-sitting and progression opportunities. Further services for students – many of which will also be of interest to parents – will be available in the near future. Links to this site can be found on the main homepage at www.examzone.co.uk.

Training

A programme of professional development and training courses, covering various aspects of the specification and examination, will be arranged by Edexcel. Full details can be obtained from our website: www.edexcel.org.uk.
