International GCSE (9–1) Published Resources

Developed for the new Edexcel International GCSE (9–1) science specifications, these completely new resources have progression, international relevance and support at their core. They provide comprehensive coverage of the new specifications and are designed to support students with the best preparation possible for the examination.

- **Specifically developed for international learners**, with appropriate international content.
- The **new 9–1 grading scale** ensures a consistent international standard of qualification, allowing learners to progress further and achieve their full potential.
- The new **ActiveLearn Digital Service** (for Biology, Chemistry and Physics and Science Double Award) brings together your planning, teaching and assessment across one service, saving you valuable time.
- Each Student Book will provide access to an **ActiveBook**, a digital version of the Student Book, which can be accessed online, anytime, anywhere, ideal for learning beyond the classroom, revision and exam practice.
- **Transferable skills**, needed for **progression** into higher education and employment, are embedded throughout and explicitly signposted, allowing students to understand, and engage with, the skills they’re gaining.
- **English language** focused content, checked by an EAL (English as an Additional Language) specialist, addresses the needs of EAL students with carefully graded writing to B2/C1 level (CEFR) and a glossary provided of specialist vocabulary.
- **Exam Practice tests and exam-style questions** cover the whole chapter and provide quick, effective feedback on students’ progress and gets them accustomed to what they’ll see in the exam.
- **Chapter summaries** state the most important points in each chapter and aid revision.
