#### Aims and Objectives of the event

- To understand how the new International GCSE Commerce (9-1) will be assessed.
- To understand what is meant by the command words used in the exam papers.
- To have an appreciation as to how the 'points-based' and 'levels of response' mark schemes are to be used.
- To share some activities that can be used to support teaching of the Commerce course
- To address any delegate concerns.
- To give delegates the ability to ask any questions
