Your thoughts so far

Now you have seen the free support that Pearson Edexcel offers for the International GCSE and International A level courses, is there anything you would like to discuss?

Using the group chat, consider these questions:

What support documents do you already use or have you found useful?

**What format would you like the support to be in
– video, downloadable or editable document, podcast etc?**

Is there any other support we could offer?

Published resources

Published resources

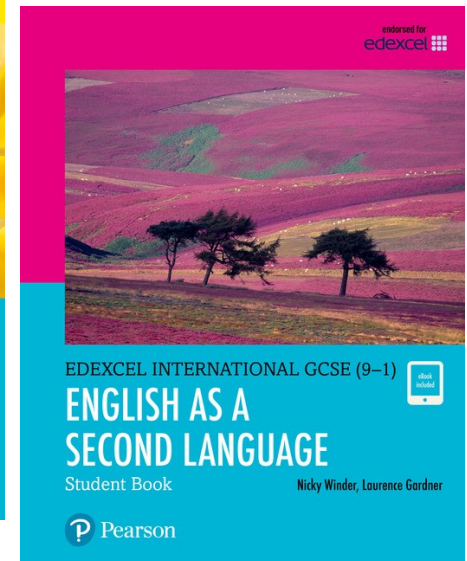

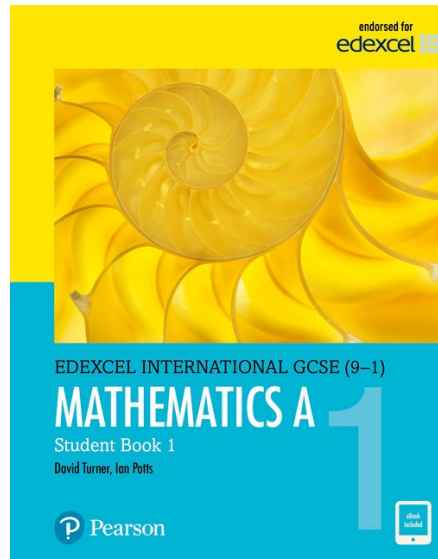

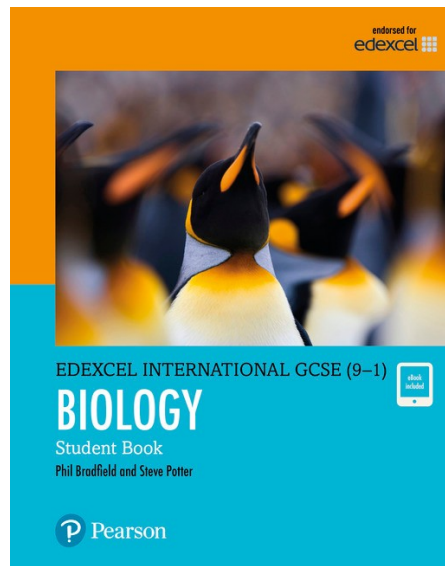

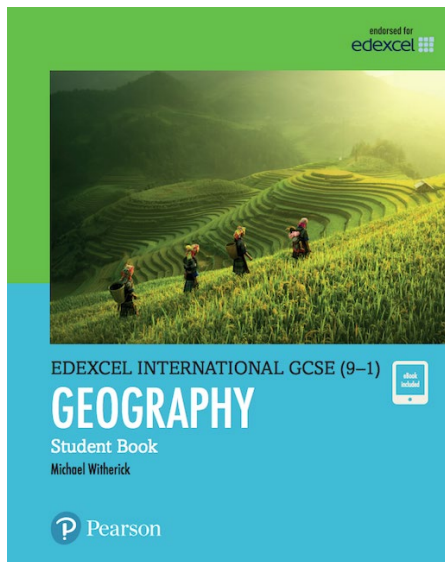

We are committed to helping teachers deliver our Pearson Edexcel qualifications and helping students to achieve their full potential.

To do this, we aim for our qualifications to be supported by a wide range of high-quality resources, produced by a range of publishers.

However, it is not necessary to purchase endorsed resources to deliver our qualifications.

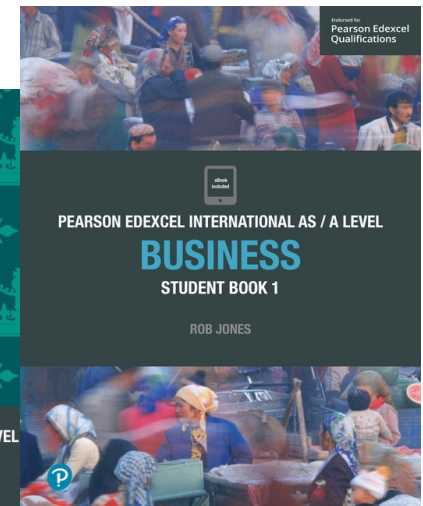

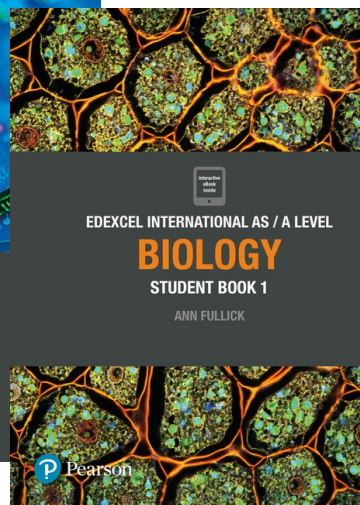

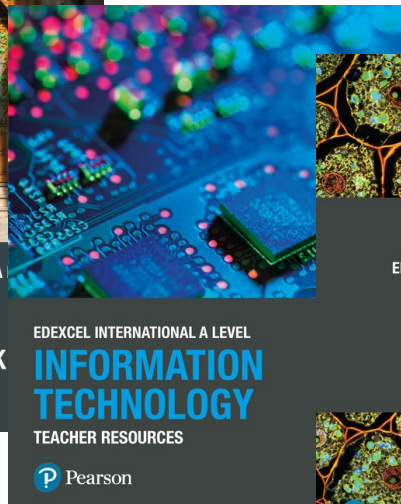

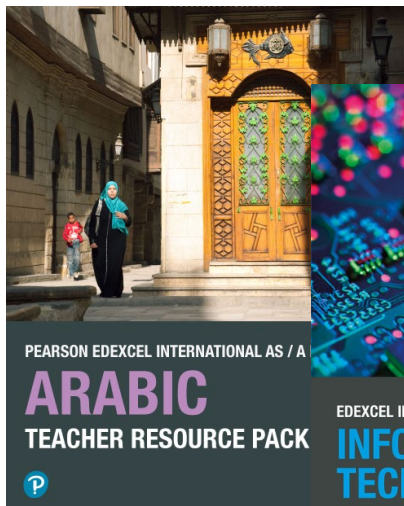

Pearson Edexcel International GCSE (9–1)

The published resources have been specifically written to support the Pearson Edexcel International GCSE (9–1) specification. Mapped to the specification to provide comprehensive coverage and supply students with the best preparation possible for the examination. Exam skills are explained, practised and assessed. Signposted transferable skills, glossary of key subject terminology, eBook included.

Pearson Edexcel International Advanced Level (IAL)

The endorsed published resources for the Pearson Edexcel International Advanced Level include print and digital resources for the latest specification so you can be confident that you are covering everything you need to provide your students with the best chance of succeeding. With appropriate international content, all resources include a strong focus on progression, recognition and transferable skills, allowing learning in a local context to a global standard. Student books include eBook.

ActiveLearn is a digital learning space for teachers and students, with planning, teaching and learning resources across a wide range of subjects from ages 11 to 19.

ActiveLearn is available to support a range of International GCSE and IAL courses in English, Maths, Sciences, Languages, Humanities, Business Studies & Economics.

Interactive questions

Thousands of differentiated activities that help students progress at their own pace and with instant feedback that motivates learners to work independently.

Lots of support

Interactive worked examples guide students through questions by breaking them down into simple steps. Explanatory videos help students tackle tricky questions, showing how to plan, solve and display an answer.

Progress tracking

Teachers can receive accurate reports and evidence of learning against lesson learning objectives, and then feedback to groups or individual students.

Post-Results Support

Access to Scripts (ATS)

Access to Scripts (ATS) is a free online portal which allows teachers to immediately access electronically marked exam papers

- ❑ Offers transparent approach to marking process
- ❑ Provides better understanding of marking before requests for enquiries about results are made
- ❑ Provides excellent aid for teaching and preparing other cohorts for examinations by helping you to evaluate a student's performance on particular questions in relation to what they have been taught.

Available instantly from results day for all our examination series, for a defined window, you can view and download scripts which have been marked online free of charge from our Self-Service Portal.

For more information on ATS, and the post results windows, visit our post-results pages.
