Summer 2022 exam series (using post-results services)

We hope you were happy with your students' results.

If you need to access post results services, there's guidance in [this update](#).

Key deadlines to work to:

- 29 September 2022: deadline to request reviews of marking and moderation
- 16 December 2022: end date for downloading students' scripts from the June 2022 exam series using the free access to scripts service

Using post-results services: reminders

- ATS: you need the 'Exam Viewer' profile ticked on Edexcel Online. Exams officers give teachers access to Exam Viewer.
- You access student scripts via Edexcel Online, not via ResultsPlus
- ResultsPlus: you need 'resultsplus' ticked on your Edexcel Online profile. Your exams officer amends your profile if it is not ticked.

- How to get [examiner reports from ResultsPlus](#) (easier from the qualification page).

Onscreen assessment available for 4EA1 and 4ET1 in June 2023

Following our successful onscreen pilot of International GCSE exams in summer 2022, we're excited to announce that you'll be able to choose onscreen assessment for your students from **summer 2023 for 4EA1 and 4ET1!**

There have been some incredibly positive findings and feedback from our journey so far:

- 90% of learners on the pilot felt after the final onscreen exam that their school should offer onscreen assessment for English exams in the future.
- Students' clear preference for a more engaging, personalised assessment experience through our onscreen platform.
- The benefits of a more authentic assessment experience that builds the digital skills learners already have and will use in future study and the world of work.

Take a look at our [onscreen assessment homepage](#), where you can learn more about the opportunities and our focus on choosing where and how we best use technology to positively impact assessments and the lives of learners.
