Free access to scripts service

From **24 August 2023** until **15 December 2023**, you will be able to view and download scripts which have been marked online free of charge using our [Access to Scripts](#) service.

The Portal can only be accessed by Edexcel Online users who have the *Exam Viewer* profile ticked on Edexcel Online. Exams officers give teachers access to *Exam Viewer*.

Scripts do not have examiner annotation on them. The marked script allows teachers to evaluate how the student performed on particular questions in relation to what they have been taught; the Principal Examiner's report and the exemplars that we make available demonstrate how the mark scheme is applied.

If scripts have been marked 'traditionally' (i.e. not online), you will need to request them, free of charge, by **15 December 2023**, via the *Post Results* section of Edexcel Online.

Candidate consent

Candidate consent is required before requesting script copies, as per section 4.2 of the JCQ's [Post-results services guide](#). **Candidate consent can only be obtained after results have been published.**

Support for the SLE in 2023-2024

Refresher training on the SLE will be offered in autumn 2023. Centres not meeting the regulatory requirements (sample size, or grade distribution in sample) for the SLE will be contacted to arrange support in the 2023-2024 academic year.

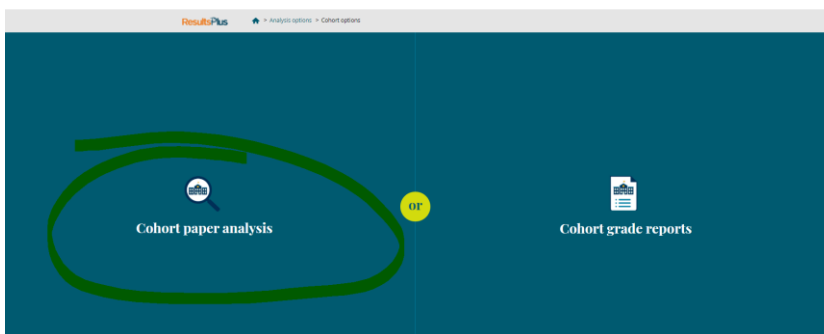

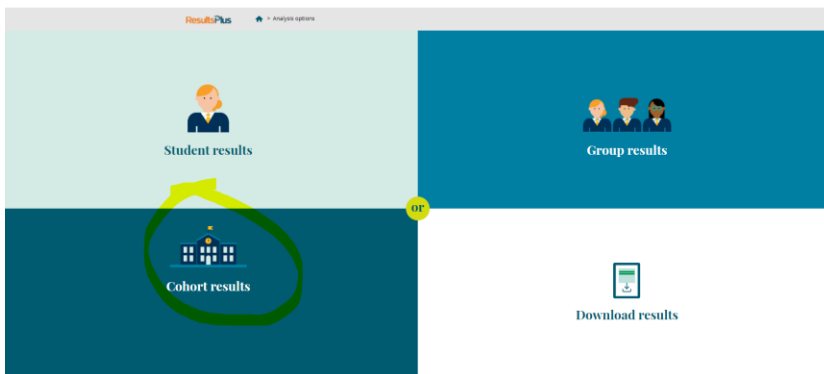

Moderators' reports

You can also download the general moderators' reports (for all centres) from [ResultsPlus](#) on results day:

1. Go to [ResultsPlus](#) and sign in using your Edexcel Online username and password. If you've forgotten your password you can generate a reminder from [Edexcel Online](#).
2. Once you are logged in under your centre, select '**ResultsPlus Analysis**'.

3. Then select '**Cohort results**' followed by '**Cohort paper analysis**'.

4. Select '**GCSE**' and '**June 2023**', followed by the relevant subject and '**View paper analysis**' for your coursework component. Because it is an internally assessed unit there will not be any paper analysis available, but if you select '**Exam docs**' you will find the Moderators' Report for that component.

Reviews of marking (RoMM)

- View the grade boundaries, question papers, mark schemes and examiners' reports of the paper/qualification concerned.
- View your students' scripts using the free access to scripts service.
- Log in to [ResultsPlus](#) to see how your students have performed on every question and compare their performance to the national average.

- If you're still unhappy with your students' results, you may apply for a review of marking via our post-results services. You can [access guidance on everything you need to know about results day and post-results services](#).

How to apply for post-results services

Please speak to your exams officer if you wish to proceed with a review of marking. Exams officers should contact their Centre Account Specialist on 0344 463 2535 if they require guidance, [read this guidance](#), or view this [video](#). All applications for reviews of marking must be submitted through [Edexcel Online](#).

Why are reviews of marking results sometimes received very quickly?

Senior examiners who carry out reviews of marking are re-trained prior to commencing reviews. As soon as you submit a request for a review of marking on Edexcel Online, the script is sent to the allocated senior examiner electronically. If they are sitting at their desk, they could receive the script and start reviewing it within minutes of your request.

Understanding more about the quality and accuracy of marking

Please have a look at [this webpage](#) if you'd like to find out more about how we ensure that our marking is fair and accurate.
