Erratum Notice April 2016

Edexcel International GCSE Specification amendments

Minor amendments have been made to the current History specification 4HI0. Date errors and spelling errors have been corrected. Students who make reference to incorrect dates / spelling as printed in Issue 4 of the specification will not be penalised.

A sidebar in the margin of the affected pages has been added to the corrected specification (Issue 5) to show where the amends have been made.

The following amends have been made:
