

## **Erratum notice June 2016**

### **Amendment to Sample Assessment Material Mark Scheme.**

#### **Paper 1P Question 3a**

---

The Sample Assessment Material mark-scheme for International GCSE Physics 4PH0/1P is incorrect.

The wording in mark scheme for Question 3a on Paper 1 (issue 6; pg 10) is no longer acceptable. The wording currently gives 'gravity' as one of the answers; this is incorrect and should say 'weight' (issue 6; pg 35).

We apologise for any confusion this may have caused.
