About this event

Course Title: Getting Ready to Teach the revised International GCSE Science (Single Award)

Course Code:

Aims and Objectives of the event

During the event you will have the opportunity to:

- Consider the structure, content and assessment of this qualification, and the support available to guide you through the specification
- Consider the key differences from the Double Award specification
- Explore possible teaching and delivery strategies for the new qualification
- Explore the new assessment material
- Have the opportunity to network, discuss best practice, take away resources to help with your planning and delivery, and share ideas with other teachers
- Learn about the introduction of the new 9–1 grading scale

This event can count as 5 hours of CPD
