

# INTERNATIONAL GCSE SCIENCE (SINGLE AWARD)

## ACTIVITY 4 - SAMs

You are provided with the following material:

<b>Biology</b>	SAMs Q3(a) with mark scheme and 3(b) Sample student answers for Q3(a)
<b>Chemistry</b>	SAMs Q5 with mark scheme and Q2 Sample student answers for Q5
<b>Physics</b>	SAMs Q5 with mark scheme and Q9 Sample student answers for Q5

### Your task

For the question with student work provided, use the mark scheme to mark the work.

What feedback would you give to these students to help them improve their answers?

For the question with no mark scheme, devise a suitable mark scheme for that question.
