**The marks for EACH question are shown in brackets
– use this as a guide as to how much time to spend on
each question.**

**You may be provided with models for Question 16
They are NOT accurate.**

**You may be provided with a cutout shape for
Question 19(a)
It is accurate.**

**There may be spare copies of some diagrams in case
you need them.**

ADVICE

**Read each question carefully before you start to
answer it.**

Check your answers if you have time at the end.
