Pearson
Edexcel

The new curriculum. Just add you.

Pearson Edexcel **iPrimary** and **iLowerSecondary** are one-stop international programmes in English, Mathematics and Science, Computing and Early Years for children aged 3–14.

It's not just a curriculum – it's a complete toolkit for schools.

Take a look inside 

*Your Pearson Edexcel **i**Primary and **i**LowerSecondary teaching toolkit*

An international curriculum.

Draw your students in with an internationally-focused curriculum and ensure knowledge sticks with accessible and culturally-relevant examples and resources.

- Based on the latest English National Curriculum (2014), with an international approach.
- Written with learners of English as an additional language (EAL) in mind.

Full Schemes of Work and Lesson Plans.

Cut your planning time and guide your students through the curriculum with our ready-made Schemes of Work.

- Full Schemes of Work provided for all three subjects for all nine years with every unit of content exemplified.
- Optional links to internationally-regarded Pearson resources such as Bug Club and Abacus.
- Structure if you need it, flexibility if you don't.

Comprehensive teacher support.

Easily work out exactly what to teach and when with our detailed Teacher's Guides.

- Subject-specific Teacher's Guides at each level provide support for specialist and non-specialist teachers.
- Guides also cover teaching techniques, pedagogy and classroom management.
- Online forum for FAQs and support from the iPrimary and iLowerSecondary community.

Foundation for future success.

Steer students towards success at International GCSE with a curriculum that builds on their learning at every stage.

- Designed specifically to prepare students for International GCSEs and beyond.
- Transferable skills and enquiry-based learning embedded in the curriculum.
- Progress and Achievement Tests build towards International GCSE style examinations.

Professional Development.

Keep your skills sharp with free teacher training and online PD support.

- Teacher Professional Development included in the programme package.
- Face-to-face training delivered locally*.
- Ongoing Professional Development provided via webinars and support for school co-ordinators.

Internal and external assessment.

Measure your students' learning with built-in Progress and Achievement Tests.

- Progress Tests for every unit to check student progress.
- End-of-year Progress Tests – freshly updated every year.
- Edexcel Achievement Tests for Year Six and Year Nine provide international benchmarking.
- Comprehensive analysis through ResultsPlus service.

* During 2020 F2F training has been replaced with online training due to Covid-19. We plan to re-introduce F2F training as soon as it's possible to do so.

New Early Years programme - September 2020

This new Early Years curricula is a 2 year programme for K and pre-K reception and nursery children. It contains clear and exemplified objectives to help teachers understand the level that children should be working at and how learning progresses over time.

It covers the prerequisites for students moving into full-time academic education and beginning our iPrimary programme.
