My LCCI qualifications helped me to better understand the accounting – and finance-based subjects I studied at university and in my ACA professional qualification. LCCI qualifications enable an individual to grasp the basic rules of accounting which most companies require. They also act as a stepping stone for pursuing a professional degree in accountancy, namely ACA/ACCA or even CFA.

— Gabriel Ioannou, Audit and Tax Manager

Employers tend to prefer candidates with LCCI level 3 because they feel that less training will be needed. They view the LCCI qualification as a good theoretical and practical base.
