

LCCI Financial & Quantitative Qualifications Q&A Follow-up

Pearson LCCI Level 1 Certificate in Bookkeeping

- 1. Do students need to know how to deal with drawings of goods and irrecoverable debts in the notes below the trial balance?*
Yes, learners may have a question with a trial balance with adjustments listed below including drawings and irrecoverable debts.
- 2. Should learners show discounts allowed and discounts received under the expenses/income sections or should they be deducted from revenue and purchases?*
Learners show record discounts allowed under expenses and discounts received under other income.
- 3. Are the L1 exam papers being revised and will they contain multiple choice questions?*
The assessment for L1 has been re-developed. New style exam papers as live assessments will not be available until at least June 2018. Centres will be informed when the assessments will go live. SAMs will be issued beforehand to show centres the new style of assessment. The new style assessment does contain multiple choice questions.

Pearson LCCI General Questions

- 1. Have all of the textbooks been published?*
All planned textbooks are now available except the textbook for Business Statistics.
