

## Assessment Objectives

Assessment objectives have been developed for this qualification to ensure that examinations are appropriately targeted. They describe the abilities that students should be able to demonstrate. Each question targets one or more assessment objectives. They are applied to the examination in the proportions below.

| <b>Students must:</b> |  | <b>% of qualification</b> |
|-----------------------|--|---------------------------|
| <b>AO1</b>            | <b>Memorise</b><br>Recall accounting facts; recall accounting terms and definitions; recall accounting processes and formulae  | 10-14                     |
| <b>AO2</b>            | <b>Perform procedures</b><br>Record business transactions; use appropriate accounting techniques; carry out computations; prepare financial statements; prepare financial reports and/or statements using appropriate business formats, present/display data in tables or charts | 72-76                     |
| <b>AO3</b>            | <b>Communicate understanding</b><br>Describe and explain accounting concepts, explain accounting standards and conventions, understand accounting techniques   | 8-12                      |
| <b>AO4</b>            | <b>Analyse</b><br>Classify, compare and analyse information; interpret financial data and information; recognise patterns and correlations; predict consequences; apply concepts/make connections  | 4-8                       |
| <b>Total</b>          |  | 100                       |
