

Notice to centres

December 2014

Extension and removal of optional units in Healthcare qualifications

Please note that the following qualifications have been extended to December 31st 2016 and the optional units listed below in Group B, have been removed from the qualification structure on RITs.

The specifications for these qualifications do not reflect these changes and centres should be aware that when enrolling learners on to the qualification in future, these units will no longer count towards achieving the qualification.
