RE: Edexcel Level 3 Diploma in Warehouse and Storage (QCF) (First teaching August 2011) – additional unit amendment

May 2012

Dear Colleague

I am writing to inform you there is now an Issue 3 to the specification containing the Edexcel Level 3 Diploma in Warehouse and Storage (QCF) qualification. Centres delivering this qualification should make sure that they use the amended Issue 3 version of the specification.

The Issue 3 amendment of the Edexcel Level 3 Diploma in Warehouse and Storage (QCF) qualification has been made to add

Unit 14: Recruit, Select and Keep Colleagues in Logistics Operations (F/601/7183) has had the following bulleted text added to assessment criteria 2.9 (p.72) that was omitted in the Issue 2 specification:

- the skills required by the applicant to succeed in the recruitment process are no more than are required to perform the job

In addition, the Optional Group A qualification structure (p.4) has had an alteration to the unit title for Unit 8 (R/601/7933). The unit title has been changed from 'Sort Goods **of** Materials for Recycling or Disposal in Logistics Operations' to 'Sort Goods **and** Materials for Recycling or Disposal in Logistics Operations'.

This change is now operational, and centres can use this unit with immediate effect.

The Issue 3 specification, with this amendment sidelined, is now on our website at:

Yours faithfully
