

Amendment Notification – October 2014

ConstructionsSkills, the Sector Skills Council (SSC) for Construction, in consultation with the industry, have changed the National Occupational Standards (NOS) so it is important we update our qualifications accordingly to ensure knowledge and skills continue to be relevant for learners and meet the requirements of the job role. In this instance, the qualification was deemed more appropriate at Level 4.

Details of the change are as follows.

The Pearson Edexcel Level 3 NVQ Diploma in Controlling Lifting Operations - Supervising Lifts (Construction) (QCF) has now been replaced by the **Pearson Edexcel Level 4 NVQ Diploma in Controlling Lifting Operations - Supervising Lifts (Construction) (QCF)**

The following units

- Maintaining Systems for Health, Safety, Welfare and Environmental Protection in the Workplace – H/600/7486 – Level 3
- Coordinating and Organising the Control of Work in the Workplace – F/600/7494 – Level 3
- Allocating and Monitoring the Use of Plant, Equipment or Machinery in the Workplace – Y/600/7498 – Level 3
