Sasha's Diary

Saturday 4th July

Today was the best day of my holiday! We are camping in a real tent, right by the seaside!

Mum and Dad got VERY wet!

When we got to the campsite this morning, it was raining. It was difficult for Mum and Dad to put up the tent. It took a long time! By the time they finished, the sun come out.

After lunch, we went to the beach. Dad fell asleep, so Jack and I buried him in the sand. Look at our picture!

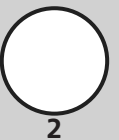

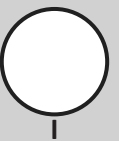

We are burying Dad in the sand. He is sleeping.

Now it's nearly bedtime. I'm looking forward to sleeping in my sleeping bag! I can hear the sea making a lovely swishing, swooshing sound.

Sunday 5th July

Jack and I went swimming this morning. Mum came down to the beach too, but she only wanted to paddle. When she wasn't looking, a massive wave came along!

Crash! The wave nearly knocked Mum over!

6 Why did Mum nearly fall over?

We were sad when it was time to pack the tent away. Jack and I helped to put the tent pegs away.

I love living in a tent by the sea! I hope we get the chance to go camping again soon.

7 Why do you think Sasha felt sad when they were packing up the tent?
