

## **PEARSON LCCI Qualifications in Greece**

Pearson, the world's learning company, is delighted to announce two new partnerships with Unicert to deliver aspects of its LCCI Qualifications in Greece.

### **LCCI Vocational Qualifications**

Pearson is delighted to announce a new partnership with Unicert, to deliver the examinations for LCCI Professional Qualifications in Greece in the following subjects:

- Financial & Quantitative
- Business Administration & IT
- Marketing & Customer Service

More information can be found at [www.lcci.ed.gr](http://www.lcci.ed.gr).

### **LCCI JETSET**

Pearson has decided to discontinue the LCCI JETSET Portfolio as of 31st Dec 2017. Learners who have already received their certificate in this qualification from BCED are not affected and their qualification remains completely valid.

Pearson is committed to supporting the needs of learners who had planned to take examinations in Summer 2017 and beyond, as well as May 2017 LCCI JETSET test takers who wish to resit. For this reason,

Pearson has assigned the delivery of these sessions to Unicert, all terms and conditions remain the same.

Unicert will be conducting one on demand session for LCCI English Qualifications (JET SET) on the **15th of July 2017**. One further, final on demand session in Autumn will be announced later in the year.

For any queries about either of these qualifications please contact PQS International Enquiries at [pqs.internationalenquiries@pearson.com](mailto:pqs.internationalenquiries@pearson.com) or Pearson Hellas at 211 4804448

In order to register for the LCCI JETSET On Demand Sessions, please contact the Unicert team.
