People	no-one	
Expert help	Art teachers and mr modasia.	ask them
Other		

Example of project proposal

The title of my project is...
(In the form of a question)

e.g.
What makes social networking sites so popular? (e.g. Facebook)

My project will be in the form of...

e.g.
a website (artefact) including copy, photographs, videos and links to make it interactive.

I have chosen this project because...

e.g.

- I am interested in new technologies and Internet communications
- I want to find out how social networking sites appeal to their target audience(s)
- I want to develop my practical skills in iWeb

The purpose of my project is to...

e.g.

- Understand how social networking sites are used, by who and why and then design my own social networking site
- Develop my practical skills in iWeb

The resources I need for background research are...

e.g.

- Internet access
- Existing social networking sites
- Reviews of existing social networking sites
- Adobe CS3 software to make my own website
- Stills camera to take photographs
- Video camera to record interviews
