## Level 1, AO3: Develop and realise

<p><b><i>Project outcomes that are mainly written</i></b></p> <p>Ideas are developed in a way that shows <b>limited</b> understanding of the topic. There is <b>limited</b> evidence of supporting arguments.</p> <p>The project is likely to be <b>sufficiently clear in most</b> places for the reader to understand <b>with some</b> effort. Information is generally presented in a logical order but there will be <b>limited</b> evidence of structuring/connections between different parts of the text and <b>some</b> of the information within the project <b>may have limited relevance</b>.</p> <p>There are <b>frequent</b> errors in the <u>use of language</u><sup>1</sup> which <b>are</b> intrusive and <b>often</b> interfere with communication.</p> <p><b><i>Project outcomes that involve the creation of an artefact or design</i></b></p> <p>The artefact or design is produced <b>but may be incomplete</b>. It is likely that <b>some</b> of the relevant <u>resources</u><sup>2</sup> obtained by the learner are used with <b>limited success</b> in realising the project outcome in a way that addresses the project objectives. <b>Limited</b> understanding of the topic is apparent. Assessment Object	Moderator Comments	Marks
AO1	All the sections of the PPF are completed in detail with Project objectives, reasons, project activities and time scales. Although, time scales are vague. There is no formal activity log included the learner has included a detail diary of events towards the end of the evidence submitted. However, it does not include any changes made during the course of the project. Overall, the marks sit in MB2 with an additional mark for independence which has been indicated by the assessor.	Mark Band 2
AO2	The learner has included evidence of two types of research (primary and secondary) from a range of sources. This is supported by a bibliography. This evidence clearly sits in marks band 2 with a mark for independence.	Mark Band 2
AO3	The learner includes detailed evidence development and realisation to support the project title and objectives and has clearly applied the evidence. This evidence clearly sits in marks band 2 with a mark for independence.	Mark Band 2
AO4	The learner does not include a separate review however, there is some aspects of a review in the latter part of each diary section, where the learner states what has been learnt. This section needs to be developed further to include skills that have been learnt and follow up ideas.	Mark Band 2
