Date 11.06.2009

Unit Project

Proposed project title \_\_\_\_\_

### Section One: Title, objective, responsibilities

Title or working title of project (in the form of a question)

How is technology being used in sport.

Project objectives (eg, what is the question you want to answer? What do you want to learn how to do? What do you want to find out?):

How is technology used in ten pin bowling

They use technology to count how many pins are left on the pin deck. Keep track of the score in a running total.

If it is a group project, what will your responsibilities be?

Its not.

### Section Two: Reasons for choosing this project

Reasons for choosing the project (eg, links to other subjects you are studying, personal interest, future plans, knowledge/skills you want to improve, why the topic is important):

I go bowling every weekend and have been doing for the apst 6 years so I have good knowledge in the sport ©

Section Three: Activities and timescales	
<p>Activities to be carried out during the project (eg, research, analysis, writing, preparing for the presentation, etc):</p> <p>Research - I will look at what technology is being used in bowling</p> <p>Analysis - I will collect and analyse my research to find out what technology is being used and if it is working</p> <p>Writing - I will write my report using my research and my own knowledge</p> <p>Preparing - I will prepare for this by researching the internet and using my own knowledge.</p>	<p>How long this will take:</p> <p>About 2 days tops seeing as I know everything about bowling</p>
<p>Milestone one:</p> <p>Target date (set by tutor-assessor):</p> <p>Milestone two:</p> <p>Target date (set by tutor-assessor):</p>	
Section Four: Resources	
<p>What resources will you need for your research, write up and presentation (eg, libraries, books, journals, equipment):</p> <p>Using my own knowledge and research I can easily complete this project</p>	

What your areas of research will cover?

The rules of the game and technology.
