Teacher - Assessor marks and supporting comments

Comments related to the assessment criteria which support the mark awarded for each Assessment Objective should be entered on the grid below.

Assessment Objective	Teacher-Assessor comments	Teacher-Assessor Mark	Moderator Mark
AO1 Manage (9 marks) Comment:	The individual has set out a clear idea of what to study + how to go about achieving this, as well as what they want to get out of it. Some logical ordering is provided and set out independently. Some support in the specialism was required, but overall the planning + managing has been managed well independently.	5	
AO2 Use Resources (12 marks) Comment:	Research + data collection have been undertaken with minimal guidance; mainly just oversight. Information is relevant to topic + question. Clear + brief links to the complexities + wider aspects of research provided.	8	
AO3 Develop and Realise (24 marks) Comment:	Research in Lit Review could include more specific studies. Clear recognition in conclusion points + evaluation. Discussion falls into results section. A generally logical order for presenting the information.	16	
AO4 Review (9 marks) Comment:	The presentation was clear in the order + process of the project + gave a good insight into own practice. The reflection of what went well, any limitations + restrictions as well as recommendations were clear. Subject knowledge was good + presentation was more relaxed on these points. Questions were answered effectively.	6
