Late fees

After the entry deadline, late fees will be incurred. For late entries, the fee is increased by 50% (total £21.15). For high late entries, the fee is doubled (total £28.20).

You will not incur a fee for changing candidate details (such as name amendments) unless a certificate has been issued.

Refunds

Any unit fee will be refunded automatically up to the high late fee date. If you withdraw an entry after this date, no refund will be issued without supporting medical evidence.

If a late entry is withdrawn by the high late fee date, only the entry fee is refunded.

For full details of external assessment entries, see the [Information Manual](#).

These prices are accurate at the time of publication. Pearson reserves the right to alter its prices at any time, although every effort will be made to give centres prior notice of any alterations.

Onscreen, on demand tests

The first attempt at the external assessment(s) is included in the registration fee.

Test bookings should be made in advance of the test being sat. Test bookings can be made with 4 hours notice.

There are no late fees as onscreen on demand tests do not require the same logistical administration (question paper printing, dispatch, etc.).

If a booking is made for a learner and they do not attend the test (they are marked as absent) there is no re-sit charge made to the centre.

Subsequent resits are charged at £14.10 per unit.
