Pearson Edexcel Qualifications: UK fees
1st August 2013 – 31st July 2014

Entry and registration deadlines for 2013-2014

Our entry deadlines and late fee dates are listed below. We have also included the date when basedata will be available on our website. This is the date that you can start submitting entries and make entries on Edexcel Online at www.edexcelonline.com.

If you are having difficulty meeting an entry deadline, please contact us before the deadline and we will support your entry submission process.

If you require information on EDI (Electronic Data Exchange) or basedata, please go to www.edexcel.com/edi.

The basedata and qualification sections of the Information Manual contain listings of subject availability in each exam series and should be used with this document.

Exam series	Basedata issued	Entry deadline	Late fee date	Amendment fee date	High late fee date
November 2013	02/09/13	04/10/13	05/10/13	22/10/13	01/11/13
January 2014	13/09/13	21/10/13	22/10/13	04/11/13	22/11/13
June 2014	15/11/13	21/03/14	22/03/14	04/04/14	22/04/14

Late fees explained

After the entry deadline, you will be charged late fees for any entries you make. The late fee charged is based on the unit fee for the qualification. From the late fee date, the entry (unit or subject) fee is doubled. The entry fee is trebled after the high late fee date.

Changes to Entries

If you change a subject option (either to change a tier or paper), this will be classified as a new entry and may be subject to late fees. You will not be charged a late fee for changing candidate details (such as name amendments) unless a certificate has been issued.

Please note that change to either tier or paper will be classified as an amendment as long as tier/option is listed separately in the 'Option' column in the Information Manual (for example unit 5CS03, option A,B,C)

For these cases the amendment deadline will apply.

If tier/option is a part of the unit code (for example units 5ST1F, 5ST1H) change to either tier or paper will be classified as a new entry and may be subject to late fees.

Refunds

If you withdraw an entry before the high late fee date you will be refunded the entry fee. If you withdraw an entry after this date, you will not be issued with a refund for the entry fee unless you can provide supporting medical evidence that the candidate could not complete the unit/s.

Late cash-in fee

We will charge £3.50 for late requests for a subject award (cash-in) prior to the issue of certificates.

Certifying Statement of Results

A Certifying Statement of Results (CSOR) is an official copy of the final examination results held by Edexcel. CSORs are sent to applicants who use our Replacement Certificates service. In these cases a CSOR is issued instead of a certificate, letter of success, or other statements of performance. It can be sent as an official document to candidates, educational institutions, professional bodies or employers. We will issue candidates with one certifying statement of each type (GCSE, GCE etc). We will charge £37.00 for this service to cover all examination sessions taken within each type (i.e. all GCE = £37.00, all GCSE = £37.00, all GCE + all GCSEs = £74.00).

For more information about our Replacement Certificates service please visit www.edexcel.com/replacementcertificates.
