## Section 7: Agreement by Principal, Chief Executive or Head of Centre/Institution

- (a) My organisation will co-operate fully with Pearson.
- (b) My organisation will not undertake any activity or advertising that could bring the name of Pearson into disrepute.
- (c) All the information submitted in this application is valid and genuine for the development, delivery and assessment of the qualification applied for.
- (d) No material supporting this application has been plagiarised. I confirm that any material supporting this application that is the intellectual property of another person or organisation is used with the express permission of that person or organisation. All materials created as under these terms and conditions (including any customised qualification) shall be the exclusive property of Pearson, and the Centre is only licensed to use such material for the purposes of offering the qualification to candidates through Pearson's Self Regulated Framework.
- (e) Approval by Pearson does not imply or guarantee that national or international public funding bodies will support that qualification, or that it will be recognised by any national body outside of the United Kingdom. It is the responsibility of the Centre to ensure that any qualification is suitable for learners.
- (f) The Centre will promptly make available to Pearson and/or standards setting bodies any material, record information or documents associated with the delivery of the qualification at request. The Centre will allow Pearson and/or standards setting bodies full and free access to such materials, any premises and/or learners associated with the qualification for the purpose of inspection, audit or standards verification.
- (g) The Centre will keep a complete copy of this application, including the complete qualification and unit specification, any relevant proposal and the written confirmation of Approval for the lifetime of the qualification.
- (h) Except for any liability which cannot be excluded or limited by law, Pearson shall not have any liability for indirect or consequential loss suffered by the Centre. Notwithstanding this, Pearson's liability under these terms and conditions shall be capped at the value of payments it has received from the centre in the 12 months prior to the rise of such liability.
- (i) The Centre shall fully indemnify Pearson for all loss and damage suffered as a result of any act or omission of the Centre, including any breach of these terms, and any claim against Pearson by a candidate registered at the Centre in relation to a breach by the Centre of these terms.
- (j) The Centre will deliver the qualification without prejudice or bias to any learner or groups of learners.
- (k) The application is fully supported by market research and the estimate of learner registrations is realistic.
- (l) The Centre will comply with Pearson terms and conditions for payment of invoices.
- (m) I understand that Pearson has the right to refuse approval without giving reasons as to their decision.
- (n) The person signing this application is authorised to act as the Centre's contact for this application.
