Any unit fee will be refunded automatically up to the high late fee date. If you withdraw an entry on or after this date, no refund will be issued without supporting medical evidence. If a late entry is withdrawn before the high late fee date, only the entry fee is refunded. For full details of external assessment entries, see the Information Manual.

These prices are accurate at the time of publication. Pearson reserves the right to alter its prices at any time, although every effort will be made to give centres prior notice of any alterations.

On receipt of their results for the March 2018 units, Applied Science students may decide that they would like to resit units in the June 2018 series. If so, you may enter the students for resits of units that they sat in March 2018. Providing that these resit entries are made by 29 April 2018, we will not charge you late entry fees for these entries.

Please submit entries using EDI or Edexcel Online. Edexcel Online is available for use from the time that the basedata is released for a particular examination series.

BTEC Firsts

Onscreen, on-demand tests

The first attempt at the external assessment(s) is included in the registration fee.

Test bookings should be made in advance of the test being sat. Test bookings can be made with **four hours notice**. There are no late fees as onscreen on-demand tests do not require the same logistical administration (question paper printing, dispatch, etc.). If a booking is made for a learner and they do not attend the test (they are marked as absent) there is no resit charge made to the centre.

Subsequent resits are charged at £15.30 per unit.
