Late fees explained

After the entry deadline, you will be charged late fees for any entries you make. The late fee charged is based on the unit fee for the qualification. From the late fee date, the entry (unit or subject) fee is doubled. The entry fee is trebled after the high late fee date.

Changes to Entries

You will not be charged a late fee for changing candidate details (such as name amendments) unless a certificate has been issued.

All tier or option changes will be classified as an amendment.

For these cases the amendment deadline will apply.

Refunds

If you withdraw an entry before the high late fee date you will be refunded the entry fee. If you withdraw an entry after this date, you will not be issued with a refund for the entry fee unless you can provide supporting medical evidence that the candidate could not complete the unit/s.

Late cash-in fee

We will charge £3.60 for late requests for a subject award (cash-in) prior to the issue of certificates.

Certifying Statement of Results

A Certifying Statement of Results (CSOR) is an official copy of the final examination results held by Pearson. We can send a CSOR to candidates, educational institutions, professional bodies or employers who need us to confirm results.

For prices and to apply for a Certifying Statement of Results, please visit qualifications.pearson.com/replacementcertificates
