You can also request a copy of the examiner's notes for A level Drama Unit 2 (6DR02) and GCSE Drama 5DR03 via the Access to Scripts (ATS) service. There is a fee for this service

Fees for Service 3 review of moderation will be calculated pro rata on the basis of the number of candidates who meet the above criteria.

Candidates' marks may be confirmed, lowered or raised, but we don't require candidates' consent for this service. You'll also receive a report giving feedback similar to that provided after the original moderation. Please remember not to return work to candidates until after the EAR deadline has passed.

**** GCSE, A level and BTEC (NQF) Art and Design**

Please note that only review of moderation (EAR3) services are available for these specifications.

Once you have submitted your EAR request to us through Edexcel Online, we'll fax you an acknowledgement letter listing the original sample of candidates.

You'll need to ensure that the work of these candidates is available for moderation review. Please notify us once you've received the list of sampled candidates.

If you'd like a senior moderator to visit you

We'll make arrangements for a senior moderator to visit your centre. You'll be liable for all associated costs, which we'll calculate pro rata on the basis of the number of candidates who meet the criteria. The costs would include the senior moderator's fees, travelling expenses, subsistence costs and, if necessary, accommodation costs and teacher-release payments. However, you won't need to pay the standard EAR3 fees in addition to this.

If the requested sample is not available to the senior moderator, he or she will withdraw and we will uphold the original moderation decision. You'll remain liable for all associated costs.

We'll let you know the outcome of your EAR request within 40 days of the centre visit.

If you'd prefer to send the work to us

The original sample per unit/paper across endorsements must be made available for your request to be valid. It is possible to request an EAR on one unit or paper only, but not if your centre has entered for multiple endorsements.

Waiving of fees

Clerical check (EAR1) and review of marking (EAR2/EAR2P) requests

We will not charge centres for these services if the candidate:

- has been issued an overall grade for the qualification and this changes as a result of the review of marking
- has not been issued an overall grade for the qualification and their notional unit grade changes as a result of the clerical check.

Review of moderation (EAR3) requests

We will not charge centres for this service if centre marks are reinstated as a result of the review of moderation. In all other cases, the full fee will apply.
