About our qualification fees

As always, we're here to support you as you deliver Pearson Edexcel qualifications, and we're continually investing in qualification support in the run-up to each exam series and beyond.

In this document, you'll find full information on our Pearson Edexcel General Qualifications fees for UK centres for the November 2024, January 2025 and June 2025 exam series, as well as a reminder of the full range of support that these fees cover over the life of the qualification.

We recognise that school budgets are stretched, and we will always aim to keep fee increases to a minimum, while providing the best possible support. We'll also continue to invest in additional qualification support and further improvements to our qualifications in the 2024/25 academic year and beyond. Your qualification fees are paid towards the end of the course delivery, but they include the support for delivering each qualification from first teaching, to successful completion of the course, assessment and issuing certificates.

As ever, our qualifications team is dedicated to ensuring you have the best possible experience with us, by providing learning materials, technologies, world-class qualifications and assessments to help everyone everywhere aim higher and fulfil their true potential.

£21.98

Ad hoc inspection fees

Please note that all centres will be subject to periodic ad hoc inspections during the conduct of the examinations. These are to ensure that the examinations are being administered correctly. Every effort will be made to minimise expenditure but the cost of these inspections will be re-charged to the centre by the inspecting authority as part of quality assurance.

Late Fees

The late fee charged is based on the unit fee for the qualification. From the late fee date, the entry (unit or subject) fee is doubled. The entry fee is trebled after the high late fee date.

Changes to entries

You will not be charged a late fee for changing candidate details, such as name amendments unless a certificate has been issued. All tier or option changes will be classified as an amendment. For these cases the amendment deadline will apply.

Refunds

If you withdraw an entry before the high late fee date, you will be refunded the entry fee. After this date, you will not be issued with a refund unless you can provide supporting medical evidence that the candidate could not complete the unit/s.

Late cash-in fee

We will charge £4.30 for late requests for a subject award (cashin) received after the entry deadline. We will charge £46 for late requests for a 2024 – 2025 award (cash-in) made after the deadline for Review of Marking and Moderation.

Certifying Statement of Results

A Certifying Statement of Results (CSOR) is an official copy of the final examination results held by Pearson. We can send a CSOR to candidates, educational institutions, professional bodies or employers who need us to confirm results. For prices and to apply for a Certifying Statement of Results, please visit **quals.pearson.com/ReplacementCertificates**.

Payment of Fees

Fees due within 30 days from the date of invoice should be made payable by cheque, bankers draft or by bank transfer to Pearson. We request that your centre number and relevant invoice numbers are included in the detail field of the bank transfer or written on the back of the cheque or bank draft. Our bank details are included on invoices.
