**BTEC Nationals (2010) extended to 31 December 2017: your options from 2016**

**27 November 2015**

*Funding Focus provides quick summaries of recent funding developments, or particular aspects of the funding system.*

### Introduction

We have extended the last registrations date for the current BTEC Nationals (2010) to 31 December 2017. This means that, in September 2016, you can choose to start teaching brand new BTEC Nationals (2016) where there is a qualification available, or continue with your current qualifications (2010). This Funding Focus explains your choices if you are teaching BTEC Nationals in England, clarifying what it means for registrations, funding, performance measures and university applications.
