- Agriculture, Horticulture and Animal Care
- Arts, Media and Publishing
- Business, Administration and Law
- Construction, Planning and the Built Environment
- Engineering and Manufacturing Technologies
- Health, Public Services and Care
- Information and Communication Technology
- Leisure, Travel and Tourism
- Retail and Commercial Enterprise
- Science

This document will be updated and circulated if any information changes.

BTEC Firsts and Nationals

- *All the BTEC Firsts and Nationals listed are eligible for 16-18 funding in 2016/17 (this information is not included in the table).*
- The table shows the BTEC Firsts and National eligible for 19-23 entitlement funding in 2016/17. We have also shown the changes in 19-23 funding eligibility for each qualification from 2015/16 to 2016/17.
- BTEC Firsts and Nationals have been approved for 19-23 entitlement funding by the Skills Funding Agency either 1) automatically because they are approved by DfE in the 2018 Performance Tables, or 2) because they are not a replica of an existing qualification and have demand from learners in the context of 19 to 23 legal entitlements, and the Skills Funding Agency want to take into account the impact of removing certain qualifications from the entitlement.
- BTEC Firsts and Nationals eligible for entitlement funding in 2015/16, and continue to be eligible in 2016/17, are highlighted in **green**.

- BTEC Firsts and Nationals eligible for 19-23 entitlement funding in 2015/16, and no longer eligible in 2016/17, are highlighted in **orange**. An alternative funded qualification is suggested where available.
- The latest list of qualifications eligible for 19-23 entitlement funding in 2016/17 can be found [here](#) (third document down). The list will be updated to reflect the BTEC Nationals approved by DfE in the 2018 Performance Tables but we do not have a specific date for the update.
- There is no separate list of qualifications eligible for local flexibility funding but these can all be found on the funding [Hub](#). The full list of qualifications eligible for advanced learner loan funding can be found [here](#) and can also be found on the funding [Hub](#).
- More on how qualifications are made eligible for 19-23 entitlement funding in 2016/17 can be found [here](#), for local flexibility funding [here](#), and for advanced learner loans [here](#).

BTEC Firsts

- BTEC Firsts not eligible for 19-23 entitlement funding are **all** eligible for local flexibility funding in 2016/17 (this information is included in the table).
- The new **BTEC Firsts in Sport and in Business** were not approved for 19-23 entitlement funding by the Skills Funding Agency as they were not considered specialist qualifications.

BTEC Nationals

- BTEC Nationals not eligible for 19-23 entitlement funding are **often** eligible for advanced learner loan funding in 2016/17 (this information is included in the table).
- We are currently considering making submissions for the BTEC Nationals not currently approved for loan funding. just get in touch if you are interested in loan funding for any BTEC Nationals not currently approved loan funding (funding@pearson.com).
- We are appealing the **BTEC Nationals in Retail, Fitness Services, Sports Performance and Coaching, and Sport Development and Coaching** for inclusion on the DfE's 16-18 Performance Tables. If successful, these qualifications will be made eligible for 19-23 entitlement funding. (See BTEC Nationals marked *.)
- Anyone starting a QCF BTEC National qualification, eligible for funding in 2016/17, has the opportunity to complete in 2018. 16-18 year-olds should either register for the full course at the outset, or if starting on a smaller size they will need to have registered for the larger one by December 2017. For 19+ year-olds the funding position means that the latter route is not available: they can be funded for a course starting in 2016/17, whether it is over 2 years or 1 year, but they will not be eligible to start a new qualification (including top-ups) in 2017/18 (i.e. after August 2017).
