

Funding Focus – Updated – BTEC Firsts and Nationals – Funding in 2016/17

28 June 2016

Funding Focus provides quick summaries of recent funding developments, or particular aspects of the funding system.

The tables in this document capture the funding eligibility for the BTEC First and Nationals in 2016/17. We also include notes on particular qualifications, information about learners starting QCF qualifications in 2016/17, or moving from smaller to larger qualifications in 2016/17 or 2017/18, and a **new note explaining 19-23 eligibility for entitlement funding**. The document also includes an update as our appeal to include the **Pearson BTEC Level 3 National Diploma in Fitness Services** in 2018 16-19 performance tables has been successful which means it will now be made eligible for 19-23 entitlement funding in 2016/17.

How the table is organised

Qualifications are listed alphabetically under the following sectors:

- Agriculture, Horticulture and Animal Care
- Arts, Media and Publishing
- Business, Administration and Law
- Construction, Planning and the Built Environment
- Engineering and Manufacturing Technologies
- Health, Public Services and Care
- Information and Communication Technology
- Leisure, Travel and Tourism
- Retail and Commercial Enterprise
- Science

The qualification tables provide the following information for every qualification:

- Qualification number
- GLH
- Core/non core
- Performance table information
- Local flexibility funding 2016/17 (for BTEC Firsts) or Loan funding 2016/17 (for BTEC Nationals)
- 19+ funding 2015/16
- 19-23 funding 2016/17
- 19-23 LDNS
- 16-19 LDNS
- Where funded in 2015/16, but not in 2016/17, alternative qualification available

Further detail on the information on each qualification

Core/non-core, and performance table information

- For 2016/17 the SFA has identified core and non-core qualifications in the 19-23 entitlement. This approach supports the SFA's transition towards a single 16 to 23 entitlement offer.
- **Core** qualifications are approved automatically and include level 2 Technical Certificates, and level 3 Tech Levels and Applied General qualifications, in the 2018 performance tables. The SFA has also included some level 3 qualifications in the 2017 performance tables. As the SFA move towards a single 16 to 23 entitlement offer only core qualifications will remain eligible for 19-23 entitlement funding.
- **Non-core** qualifications take into account the impact on learners, training providers, awarding organisations and occupational areas of removing certain qualifications from the 19-23 entitlement. Non core qualifications will be available for the 19-23 entitlement for 2016/17 but will not be considered for 2017/18.
- We have shown where qualifications are approved by the DfE as level 2 Technical Certificates, and level 3 Tech Levels and Applied General qualifications, in the 2018 performance tables; and as level 3 Tech Levels and Applied General qualifications in the 2017 performance tables.

Local flexibility funding 2016/17 (for BTEC Firsts), or Loan funding 2016/17 (for BTEC Nationals)

- Qualifications at level 2 can also be eligible for 19+ local flexibility funding and this information is included in the table. There is no separate list of qualifications eligible for local flexibility funding but these can all be found on the funding [Hub](#). More on how qualifications are made eligible for 19+ local flexibility funding can be found [here](#).
- Qualifications at level 3 can also be eligible for 19+ advanced learner loan funding and this information is included in the table. The full list of qualifications eligible for advanced learner loan funding can be found [here](#) and can also be found on the funding [Hub](#). More on how qualifications are made eligible for 19+ advanced learner loans can be found [here](#).

19+ funding 2015/16, and 19-23 funding 2016/17, and where funded in 2015/16, but not in 2016/17, alternative qualification available

- The table shows the qualifications eligible for 19-23 entitlement funding in 2016/17. We have also shown the changes in 19-23 funding eligibility for each qualification from 2015/16 to 2016/17.
- Qualifications eligible for entitlement funding in 2015/16, and which continue to be eligible in 2016/17, are highlighted in **green**.
- Qualifications eligible for 19-23 entitlement funding in 2015/16, and which are no longer eligible in 2016/17, are highlighted in **orange**. An alternative funded qualification is suggested where available.
- The latest list of qualifications eligible for 19-23 entitlement funding can be found [here](#) (third document down), and more on how qualifications are made eligible for 19-23 entitlement funding can be found [here](#).

19-23 LDNS, and 16-19 LDNS

- The SFA approves qualifications for adult (19+) funding for one year only. The LDNS (last date for new starts (for funding)) for 19+ learners is included in the table.
- The Education Funding Agency (EFA) approves qualifications for funding until the end date of the qualification. The LDNS (last date for new starts (for funding)) for 16-19 learners is included in the table. All the BTEC Firsts and Nationals listed are eligible for 16-19 funding in 2016/17.

Notes on particular qualifications

- The new **BTEC Firsts in Sport and in Business** were not approved for 19-23 entitlement funding by as they were not considered specialist qualifications. (See * in table).
- We were successful with the appeal for the **Pearson BTEC Level 3 National Diploma in Fitness Services (60172150)**. This qualification is now eligible for 19-23 entitlement funding in 2016/17.

19-23 eligibility for entitlement funding

19-23 year-old s have an entitlement to full funding for an entitlement qualification at level 2 if they don't already hold a full level 2, and for an entitlement qualification at level 3 if they don't already hold a full level 3.

Full Level 2 is the level of attainment demonstrated by:

- A GCSE in five subjects, each at grade C or above, or grade 4 or above, or
- A Technical Certificate on the 2018 16-19 performance tables, or
- Other technical and professional qualifications listed as level 2 legal entitlement qualifications which must be at least 150 glh
- Qualifications previously designated as full for the purposes of the level 2 legal entitlement (this will be clarified in versions 3 of the SFA's funding rules due out shortly).

Full Level 3 is the level of attainment demonstrated by:

- An A level in two subjects, or an AS level in four subjects, or
- A QAA Access to HE Diploma at Level 3, or
- A Tech level; or Applied general on the 2018 16-19 performance tables, and a number of Tech levels and Applied generals from the 2017 16-19 performance tables, or
- Other technical and professional qualifications listed as level 3 legal entitlement qualifications which must be at least 300 glh
- Qualifications previously designated as full for the purposes of the level 3 legal entitlement (this will be clarified in versions 3 of the SFA's funding rules due out shortly).

Learners starting QCF qualifications in 2016/17 and 2017/18, or moving from smaller to larger qualifications in 2016/17 and 2017/18

- Learners generally need to be enrolled, or be topped-up, before the LDNS (last date for new starts) for the qualification, **for the particular age group**. The LDNS is different for 16-19 and 19-23 year-olds.
- An exception to this is where a learner turns 19 during their study programme. These learners are funded under EFA rules and therefore can be enrolled, or topped up, before the LDNS for 16-19 learners.
- This is because of the way the EFA define learner age for funding eligibility. A 16-18 year-old learner is any learner who is aged 16, 17 or 18 on 31 August 2016. A learner who was 16-18 at the start of the funding year when they began a learning programme, as recorded on their learning agreement, continues to be funded as a 16-18-year-old student if they become 19 years old during their learning programme.
- The EFA also fund students aged 19 to 24 on the 31 August 2016 that have an Education Health and Care Plan (EHCP). These learners are also funded under EFA rules.
- The table below gives some examples of how this would work for different learners for the QCF Nationals where the LDNS for 16-19 year-olds is 31/12/2017, and the LDNS for 19-23 year-olds is 31/07/16 or 31/07/17.

	16-19 year-old on study programme, and 16-19 year-old who becomes 19 years old during their study programme, and 19 to 24 year-olds that have an EHCP		19-23 year-old
