# Funding Focus – Finding qualifications approved for the unemployed on the funding hub in 2016/17

22 September 2016

Funding Focus provides quick summaries of recent funding developments, or particular aspects of the funding system.

In 2016/17 the section of the [funding hub](#) which used to show if qualifications were approved for funding for the unemployed is no longer in use. All the end dates in this section of the funding hub will be for the 2015/16 funding year (if the qualification was approved for the unemployed in 2015/16) and there is a new way to check if a qualification is eligible in 2016/17.

To take for example, the Level 2 Certificate in Introduction to the Role of the Professional Taxi and Private Hire Driver (QCF) 60000491.

On the 'Funding' tab:

## Certificate in Introduction to the Role of the Professional Taxi and Private Hire Driver (QCF)
