Understanding AiDA, CiDA, CiDA+ and DiDA grade boundaries

This document shows the grade boundaries for our suite of Digital Applications qualifications: AiDA, CiDA, CiDA+ and DiDA. For each set of grade boundaries, the maximum number of available marks is also shown.

Maximum marks and boundaries for individual units are shown for both the raw and uniform (UMS) mark scales. Maximum marks and grade boundaries for the overall qualification (the 'cash-in') are only shown in UMS marks.

Definition of terms

A grade boundary is the minimum mark at which a letter grade can be achieved. For example, if the grade boundary for a B is 60 marks, then 60 is the minimum mark at which a B can be achieved. A mark of 59 would therefore be a C grade.

A raw mark is the actual mark awarded by the teacher or examiner for your e-portfolio. Raw mark scores can be downloaded by Exams Officers from Edexcel Online.

Raw marks are converted to UMS marks for all DiDA qualifications. This is because raw mark grade boundaries may change from exam session to exam session to take into account variations in the difficulty of Summative Assessment Briefs (SPBs). A Certifying Statement of Provisional Results (results slip) will always show the UMS mark for DiDA qualifications.

You can find out more about raw and UMS marks at www.edexcel.com/results

Edexcel and BTEC Qualifications

Edexcel and BTEC qualifications come from Pearson, the world's leading learning company. We provide a wide range of qualifications including academic, vocational, occupational and specific programmes for employers. For further information visit our qualifications websites at www.edexcel.com or www.btec.co.uk for our BTEC qualifications.

Pearson: helping people progress, everywhere

Our aim is to help everyone progress in their lives through education. We believe in every kind of learning, for all kinds of people, wherever they are in the world. We've been involved in education for over 150 years, and by working across 70 countries, in 100 languages, we have built an international reputation for our commitment to high standards and raising achievement through innovation in education. Find out more about how we can help you at www.pearson.com/uk
