Understanding boundary marks

This document shows the boundary marks for our Edexcel International Awards in Primary and Lower Secondary Curriculum subjects. For each set of boundary marks, the maximum number of available marks is also shown.

Our Edexcel International Awards in Primary Curriculum subjects are graded at three levels: P1, P2, P3.

Our Edexcel International Awards in Secondary Curriculum subjects are graded at four levels: S1, S2, S3 and S4.

Level P3 on the Primary Curriculum is equivalent to level S1 on the Secondary Curriculum.

Definition of terms

A boundary mark is the minimum mark at which a level can be achieved. For example, if the boundary mark for S1 is 29 marks, then 29 is the minimum mark at which S1 can be achieved. A mark of 14 would therefore be Unclassified.
