

Notional Component Grade Boundaries

Edexcel Level 2 Extended Mathematics Certificate

June 2025

Understanding our notional Edexcel Level 2 Extended Mathematics Grade Boundaries

The assessment for linear qualifications takes place at the end of the course, with learners taking all components in the same exam session, and grade boundaries are set at a qualification level. You can find more information here:

<https://qualifications.pearson.com/en/support/support-topics/results-certification/understanding-marks-and-grades/understanding-your-results-information-for-students/edexcel-gcse-results-explained.html>

We have committed to provide you with component-level grade boundaries for this qualification this summer.

Component-level grade boundaries in this linear qualification are notional only, and do not equate to a certificated grade
