## Understanding T Level Assessment Grade Boundaries

This document shows the grade boundaries for the Core sub-components (Core Exam and ESP) and the Occupational Specialism of the T Level. (Note that these are not grade boundaries for the TQ or T Level).

For each set of grade boundaries, the maximum number of available marks is also shown

For individual sub-component, maximum marks and boundaries are shown for both the raw and uniform (UMS) mark scales. Maximum marks and grade boundaries for the overall CORE component are only shown in UMS marks. (NB the Occupational Specialism only has raw marks).

The CORE component is graded A\* to E and the Occupational Specialism component is graded D/M/P. Where grade boundaries are greyed out for a particular component/sub-component, there are no grade boundaries available.

This may be because:

- the component/sub-component was not available in this exam session
- no-one took the component/sub-component in this exam session.

### Definition of terms

A grade boundary is the minimum mark at which a letter grade can be achieved. For example, if the grade boundary for a B is 60 marks, then 60 is the minimum mark at which a B can be achieved. A mark of 59 would therefore be a C grade.

A raw mark is the actual mark awarded by the examiner for an assessment. Raw mark scores can be downloaded by Exams Officers from Edexcel Online.

Raw marks are converted to UMS marks for the sub-components. This is because raw mark grade boundaries may change from exam session to exam session to take into account variations in the difficulty of assessments.

A Certifying Statement of Provisional Results (results slip) will always show the Raw mark and UMS mark for modular qualifications.

## Converting grades to UMS

CORE component results for T Levels are reported on a UMS scale. The UMS available for each CORE sub-component at grade boundaries are as follows:

Grade	Core Exam	Core ESP	Core Overall
<b>Maximum</b>	<b>240</b>	<b>120</b>	<b>360</b>
A*	216 - 240	108 - 120	324 - 360
A	192 - 215	96 - 107	288 - 323
B	168 - 191	84 - 95	252 - 287
C	144 - 167	72 - 83	216 - 251
D	120 - 143	60 - 71	180 - 215
E	96 - 119	48 - 59	144 - 179
U	0 - 95	0 - 47	0 - 143

**Craft** and **Media** UMS available for each CORE sub-component at grade boundaries are as follows:

Grade	Core Exam	Core ESP	Core Overall
<b>Maximum</b>	<b>240</b>	<b>160</b>	<b>400</b>
A*	216 - 240	144 - 160	360 - 400
A	192 - 215	128 - 143	320 - 359
B	168 - 191	112 - 127	280 - 319
C	144 - 167	96 - 111	240 - 279
D	120 - 143	80 - 95	200 - 239
E	96 - 119	64 - 79	160 - 199
U	0 - 95	0 - 63	0 - 159

For more information on calculating qualification results please see section 6 of your T Level Specification.
