

Mathematics in Context

Grade Statistics (Final)

June 2016

The statistics in this document show:

- The total number of learners who took each subject
- The total number of male and female learners who took each subject, and that number as a percentage of the total cohort
- The total number of learners who took each subject, according to the type of centre at which they took it
- The cumulative number of learners at each grade boundary, and that number as a percentage of the total cohort

Subject Type : LEVEL 3

Home/overseas: Home

Subject . . : 7MC0 MATHEMATICS IN CONTEXT

Centre Type	Gender	Sat	Pass	Cumulative number of candidates at specified grades and percentages				
				A	B	C	D	E
