5 GCSE

1 Introduction

1.1 Information on re-taking 9–1 GCSEs

Candidates wishing to retake a 9–1 GCSE are required to retake all written units in the qualification. All 9–1 GCSE non-examined assessment results can be carried forward from a previous series provided the relevant transferred entry option is selected when making the entry.

1.2 Further information

For frequently asked questions and further information, please go to qualifications.pearson.com/gcse

2 Entry procedures and key dates

2.1 Entry procedures

Pearson Edexcel GCSE qualifications are not available in all countries. If your centre is not in the UK please check with your Regional Development Manager before starting teaching a GCSE course.

Please see qualifications.pearson.com/exam-support for details on how to make entries on Edexcel Online and EDI.

2.2 Private candidates

Private candidates are candidates taking a qualification without being enrolled full time in a centre. They are responsible for their own entries, which must be made through an approved centre. Some qualifications are not available to private candidates. For a full list of qualifications and private candidate eligibility see our website.

2.3 Entry deadlines and results

Please see the Key Dates section of this manual for entry and results dates, and the certification and centre mark submission dates. The Key Dates section also includes details of when EDI basedata and Edexcel Online are available for the submission of entries.

2.4 Retention of certificates

It is no longer necessary to return uncollected certificates to us. They may be destroyed (in a confidential manner) after retention for a period of no less than 12 months from the date of issue. Centres that do not have a means of destroying certificates confidentially may return them to our Manchester office. A record of certificates that have been destroyed should be retained for four years from their date of destruction.

Centres must comply with any request from us to return a certificate. Certificates remain the property of the awarding bodies at all times.

3 GCSE: November 2020 and June 2021 availability

In light of the recommendations from the Ofqual consultation about the June 2021 assessments some decisions still need to be finalised and as such some components/options are listed as tbc. An update will be published as soon as possible.

3.1 Alphabetical list of specification and entry codes
