1 Introduction

1.1 Information on retaking International GCSEs

Candidates wishing to retake an International GCSE are required to retake all written units in the qualification. All non-examined assessment results can be carried forward from a previous series provided the relevant transferred entry option is selected when making the entry.

2 Entry procedures and key dates

2.1 Entry procedures

Support for entries and registrations can be found [here](#).

2.2 Private candidates

Private candidates are candidates taking a qualification without being enrolled full time in a centre. They are responsible for their own entries, which must be made through an approved centre. Some qualifications are not available to private candidates. For a full list of qualifications and private candidate eligibility see our website.

2.3 Fees

Information about fees can be found [here](#).

2.4 Entry deadlines and results

Please see the Key Dates section of this manual for entry and results dates, and the certification and centre mark submission dates. The Key Dates section also includes details of when EDI basedata and Edexcel Online are available for the submission of entries.

2.5 Retention of certificates

It is no longer necessary to return uncollected certificates to us. They may be destroyed (in a confidential manner) after retention for a period of no less than 12 months from the date of issue. Centres that do not have a means of destroying certificates confidentially may return them to our Manchester office. A record of certificates that have been destroyed should be retained for four years from their date of destruction. Centres must comply with any request from us to return a certificate. Certificates remain the property of the awarding bodies at all times.

2.6 Option codes

Regional paper ('R' papers)

Customers whose centres are based in specified countries must use alternative option codes, where applicable, as listed in this manual (for example, 4B11 R). Pearson requires the following countries to use the alternative option codes: Australia, Azerbaijan, Brunei, Cambodia, China, Hong Kong, India, Indonesia, Japan, Korea, Laos, Macau, Malaysia, Mongolia, Myanmar, New Zealand, Oman, Philippines, Singapore, Taiwan, Thailand, United Arab Emirates and Vietnam.

The January 2023 series **was** the final January series available for International GCSE.

The new November series will not require R papers. Instead, exams in this series will predominantly be scheduled in the AM slot (GMT) to ensure that centres can run exams at reasonable local times.

Onscreen option

Five International GCSEs may be sat onscreen in June 2024: English Language A, English Literature, Business, Economics and History. Centres must request approval to offer the onscreen option. The onscreen options have 'C' codes. Centres requiring regional papers and using the onscreen option use 'CR' option codes.

Modular option

Eight International GCSEs are available as modular qualifications to international centres only: Accounting, Commerce, Economics, English Language A, English Literature, Geography, History and Religious Studies.

First certification of Modular International GCSEs is in August 2025.

3 Exams Officer support

Further support and information can be found [here](#).

4 International GCSE Availability

ACCOUNTING (LINEAR)

What entry options are available?

Centres in the locations listed on page 2 under 'regional papers' select papers marked as 'R' in the title.

Specification			Availability	
Entry	Option	Title	Nov 2023	Jun 2024
4AC1		Accounting (Papers 1 & 2)	Yes	Yes
