

Quality Assurance catch ups with Pearson Quality Advisors (PQA's) Jan - July 2021

Come and join an informal Quality Assurance Catch-up - online where we can give you a quick reminder on where you and your staff should be in the quality assurance calendar and you can bring any questions you require support with and ideas on how we can further support you as a Quality Nominee. You do not have to stay for the whole time.

As a team we have scheduled these catch-up sessions to be one a week from January to July to ensure we are keeping you up to date with any developments due to the pandemic. So, if you do have additional support questions, we are more than happy for you to attend any session, with anyone in the team.

This is suitable for UK Centres only.
