

Pearson Edexcel Results

Edexcel Online results document management

You are now able to manage the receipt of paper results on Edexcel Online. Using this functionality, you can choose to receive hard copy versions of:

- Broadsheet
- Component Results
- Contributing units results
- Statement of results

Please see pages 5 and 6 of this document for examples of these. You will still receive all your results on Edexcel Online and EDI. Where no paper documents are issued, such as for DiDA or Functional Skills, the functionality is disabled. All U.K. centres have been opted out of receiving paper results, International centres are not affected. Please follow the instructions below to opt-in or out.

How to update your paper results preferences

- 1. Log into Edexcel Online (<u>www.edexcelonline.com</u>)
- 2. From the Edexcel Online home page select the qualification you want to update
