Centre-based / In-house Training

I would like training to be delivered at a location of my choosing.

Issue

We have a number of teaching professionals at our centre who require training and cannot attend public training events.

FAQ

What type of training can be delivered at our centre?

Please review the training available for [Vocational qualification](#) and [General qualifications](#).

How do I book in-centre training?

To make a booking or enquiry please complete our [Centre-based Request form](#).

Can we have bespoke training?

In accordance with Ofqual guidance, we cannot customise the content of training. However, we may be able to condense the training from a full to half day and our trainer may be able to pitch the training at the delegates' level of knowledge.

What if the training we need is not on the list of available training?

If you cannot find the appropriate training course, please let us know what you are looking for by completing the [Centre-based request form](#).
