

# Top marks for Summer 2017 marking

**99.25%** of our grades were accurate on results day

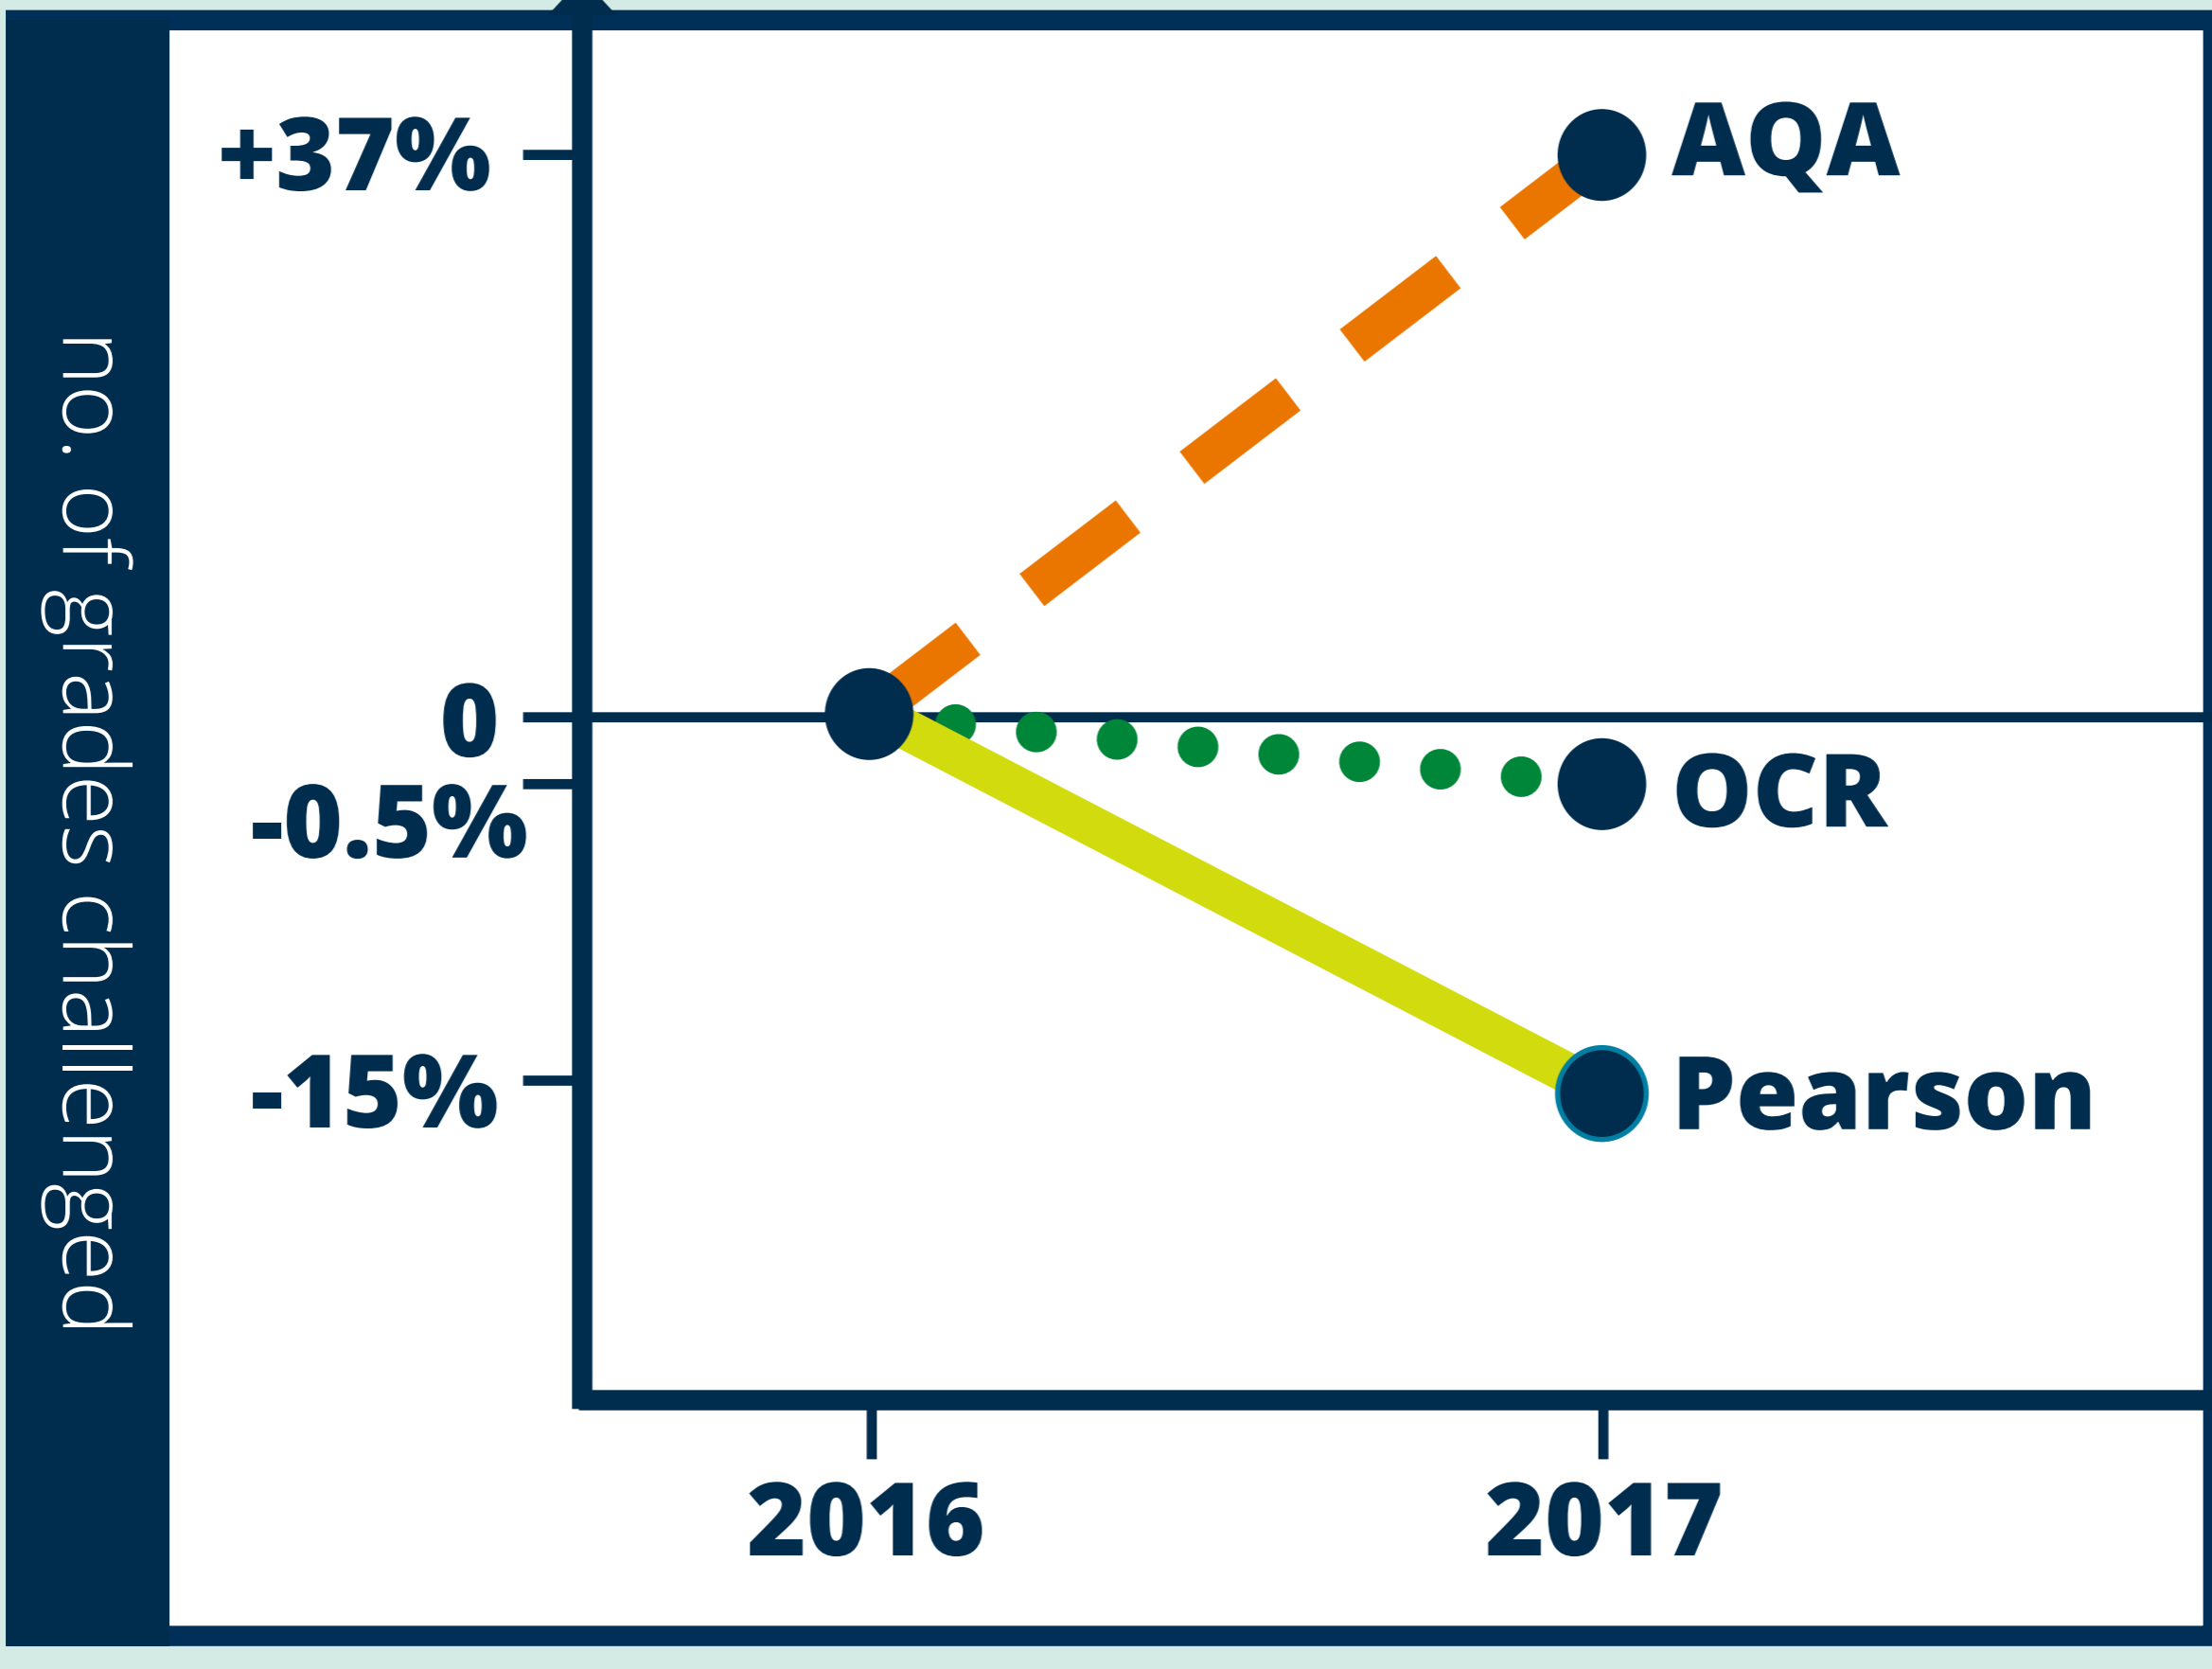

Ofqual have published [their report](#) on the Summer 2017 Exam Series. See how Pearson scored alongside the other major exam boards.

## GCSE overview

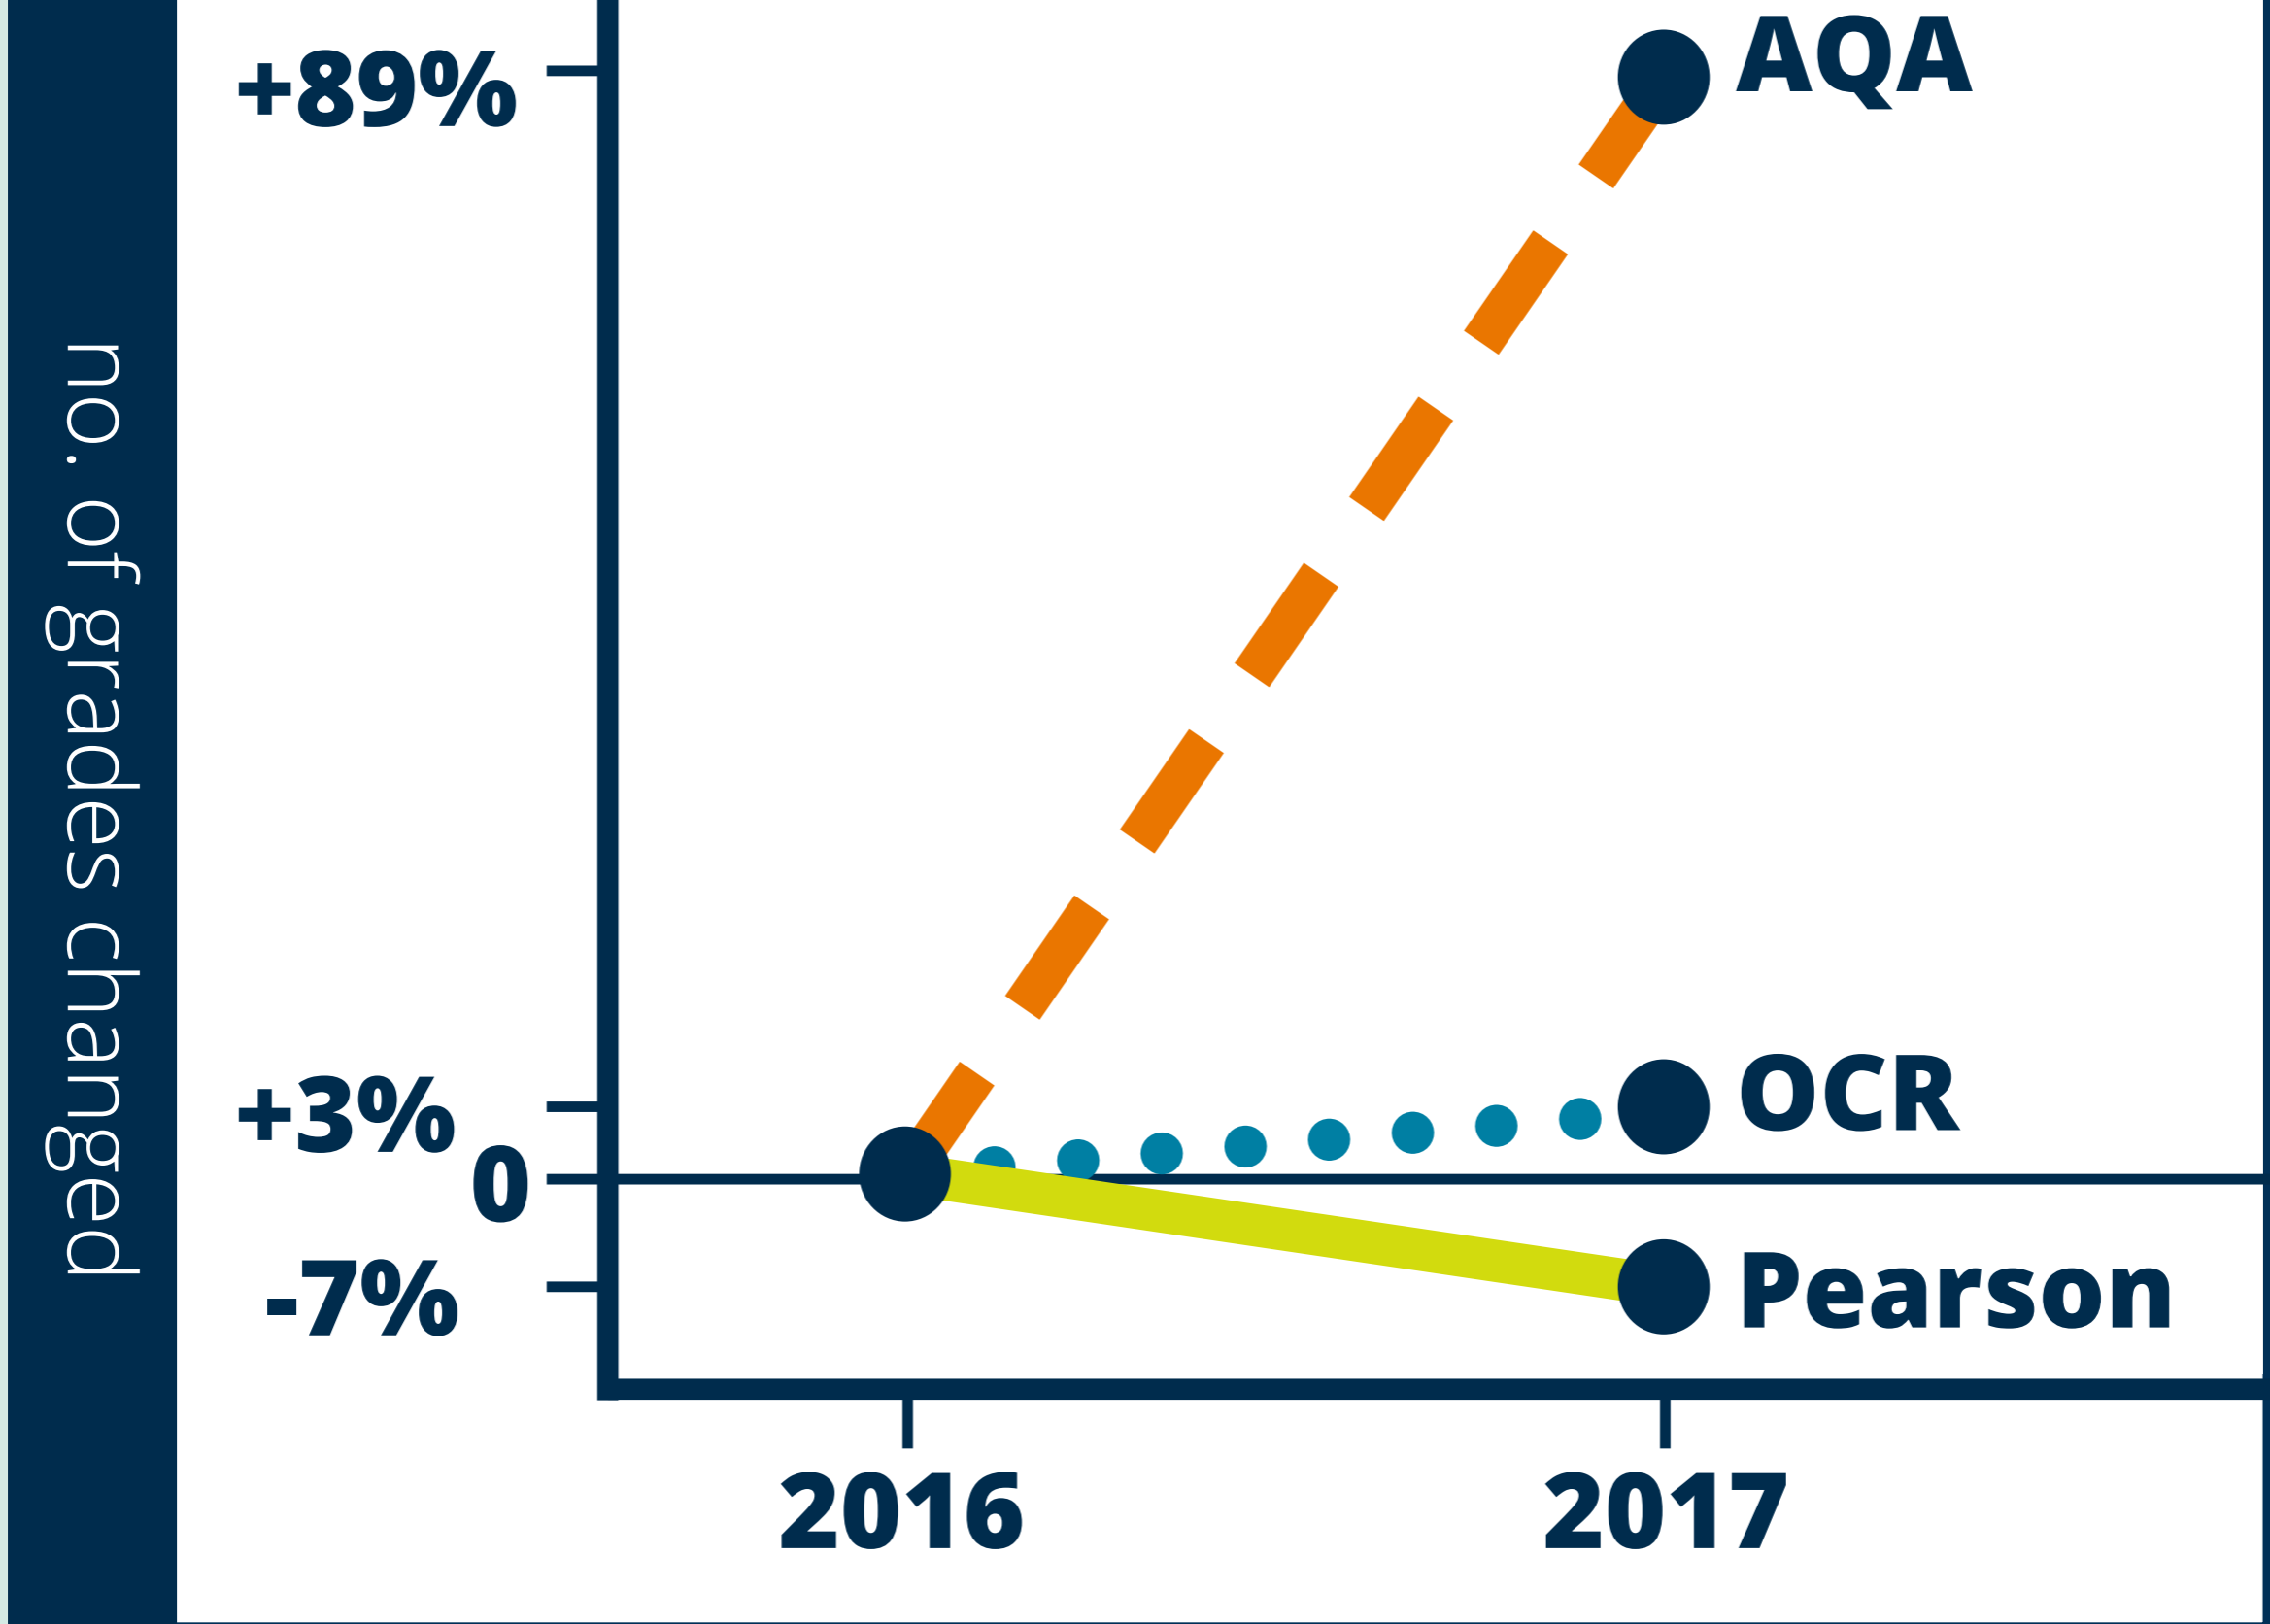

**99.2%** of Pearson GCSE grades were accurate on results day.

Pearson had fewer GCSE grades **challenged** in England than AQA

Pearson had fewer GCSE grades **changed\*** in England than AQA

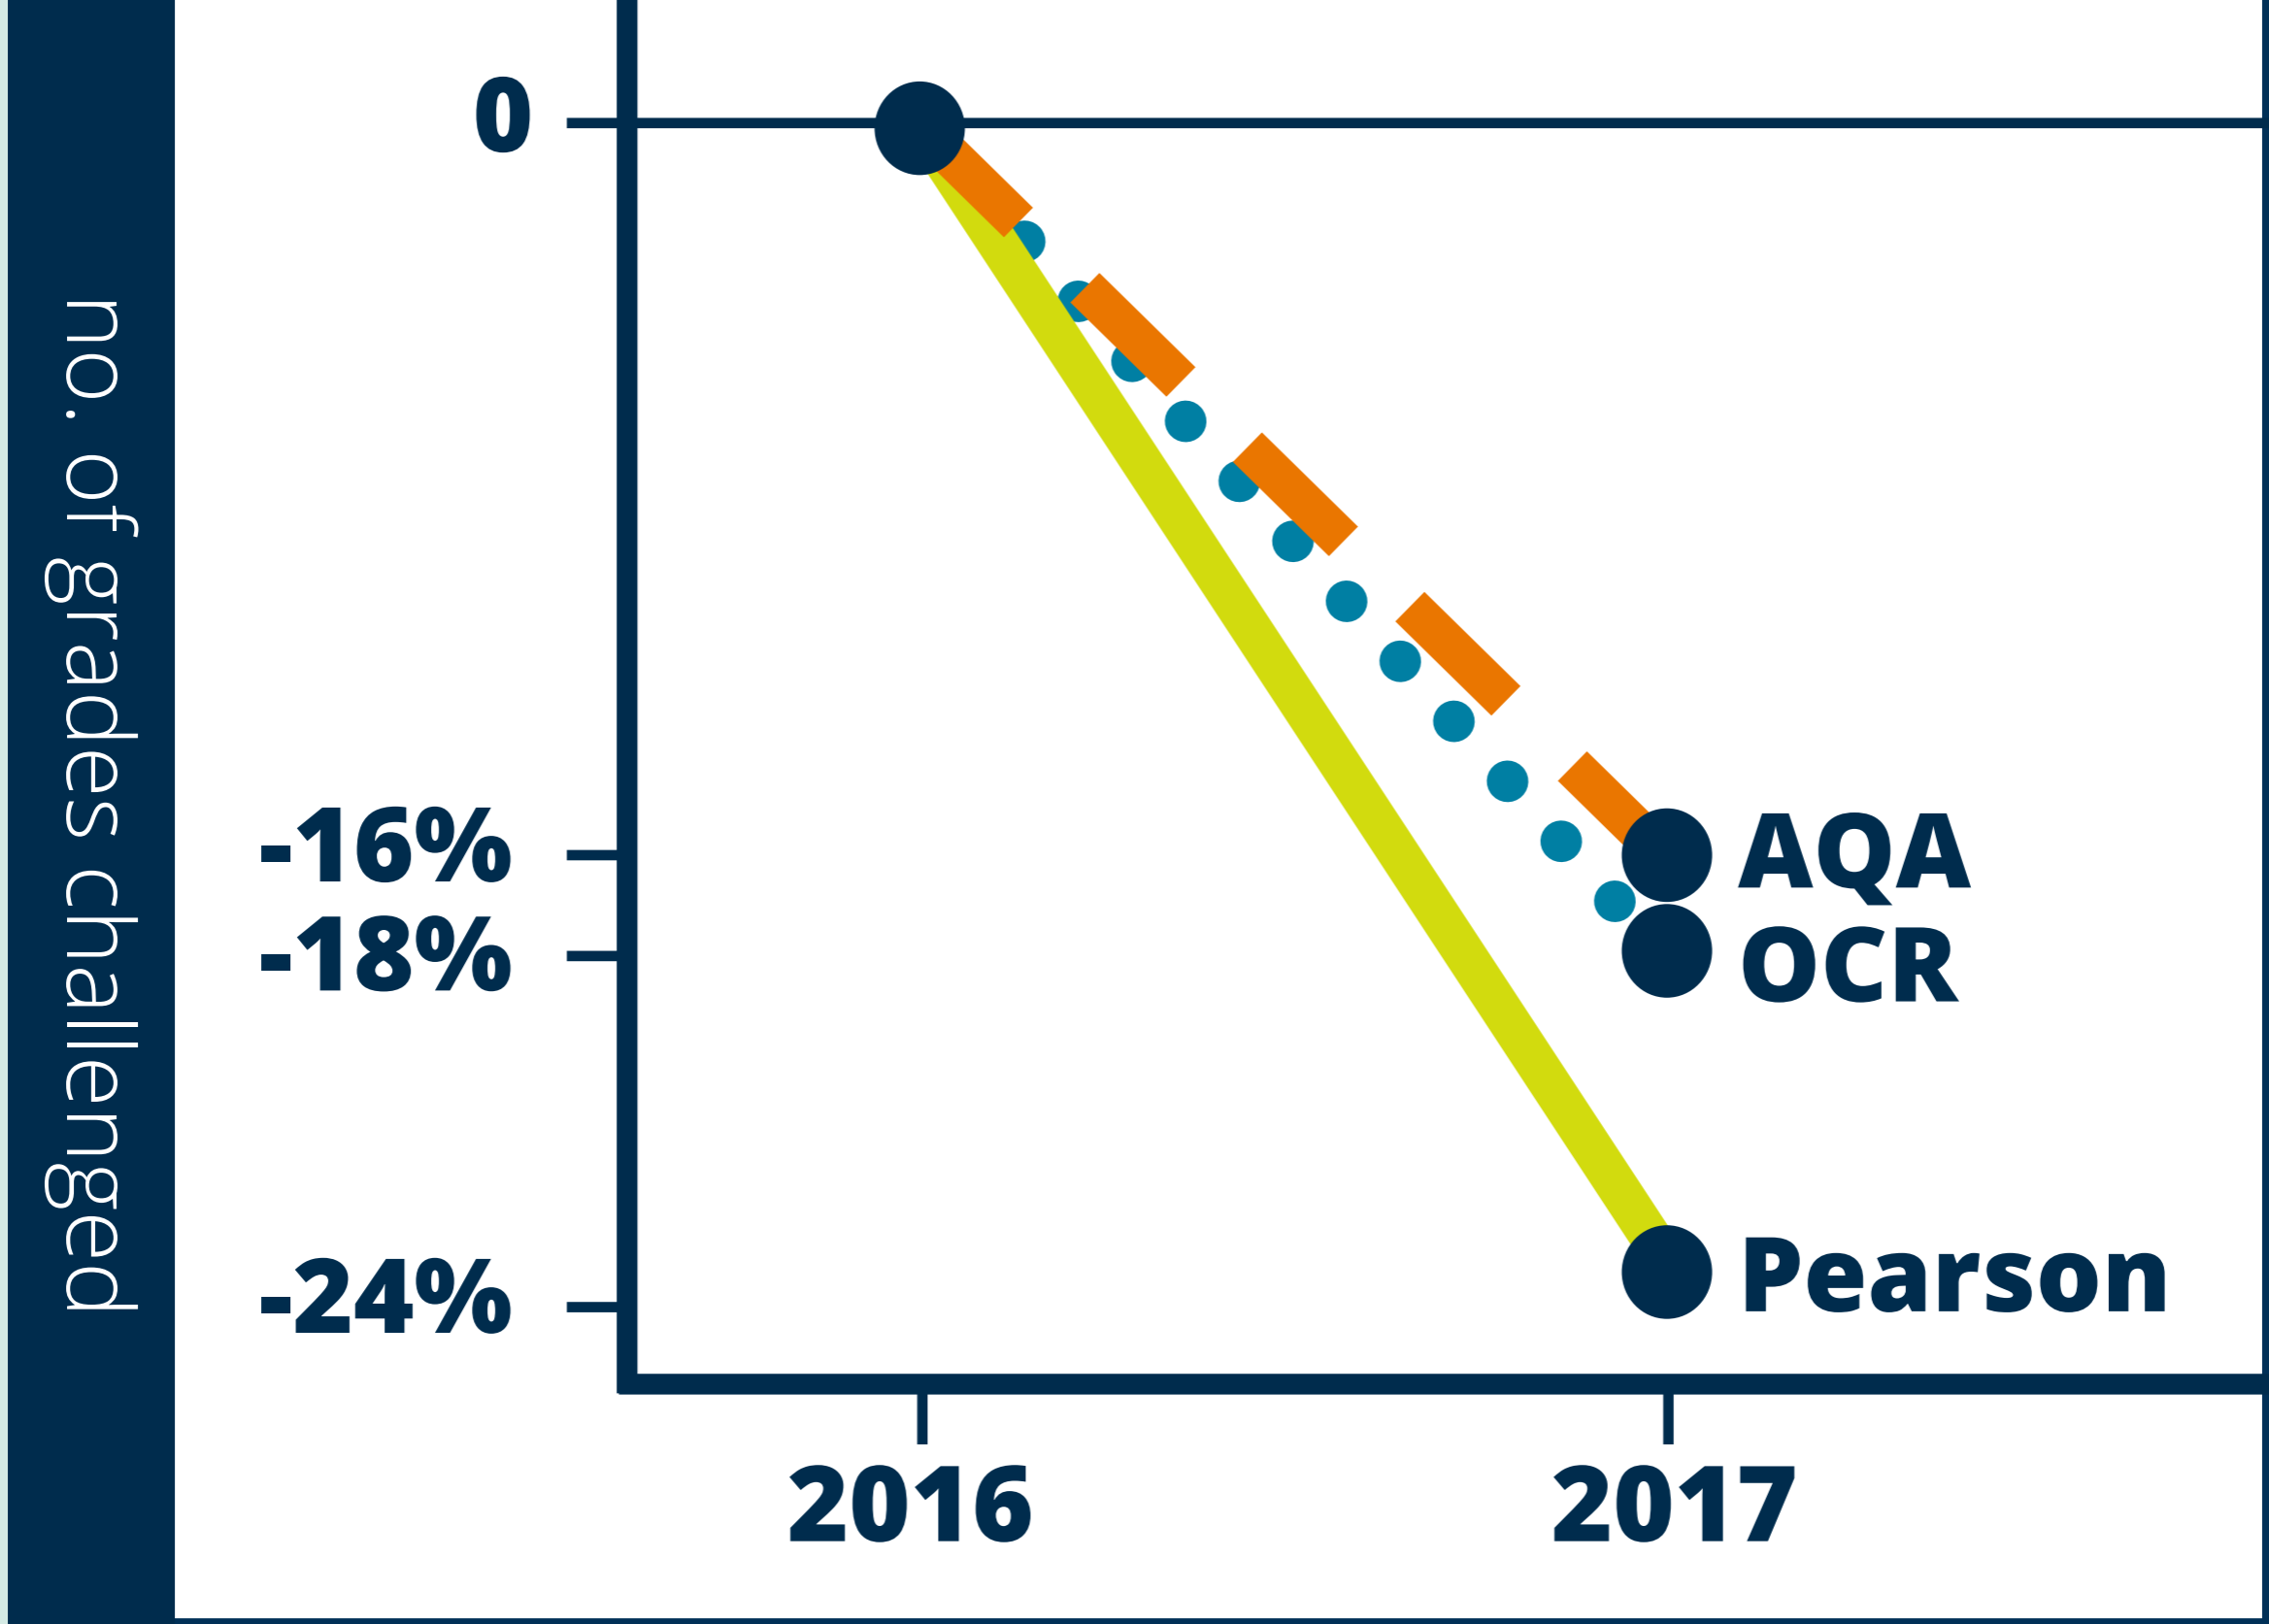

## AS and A level overview

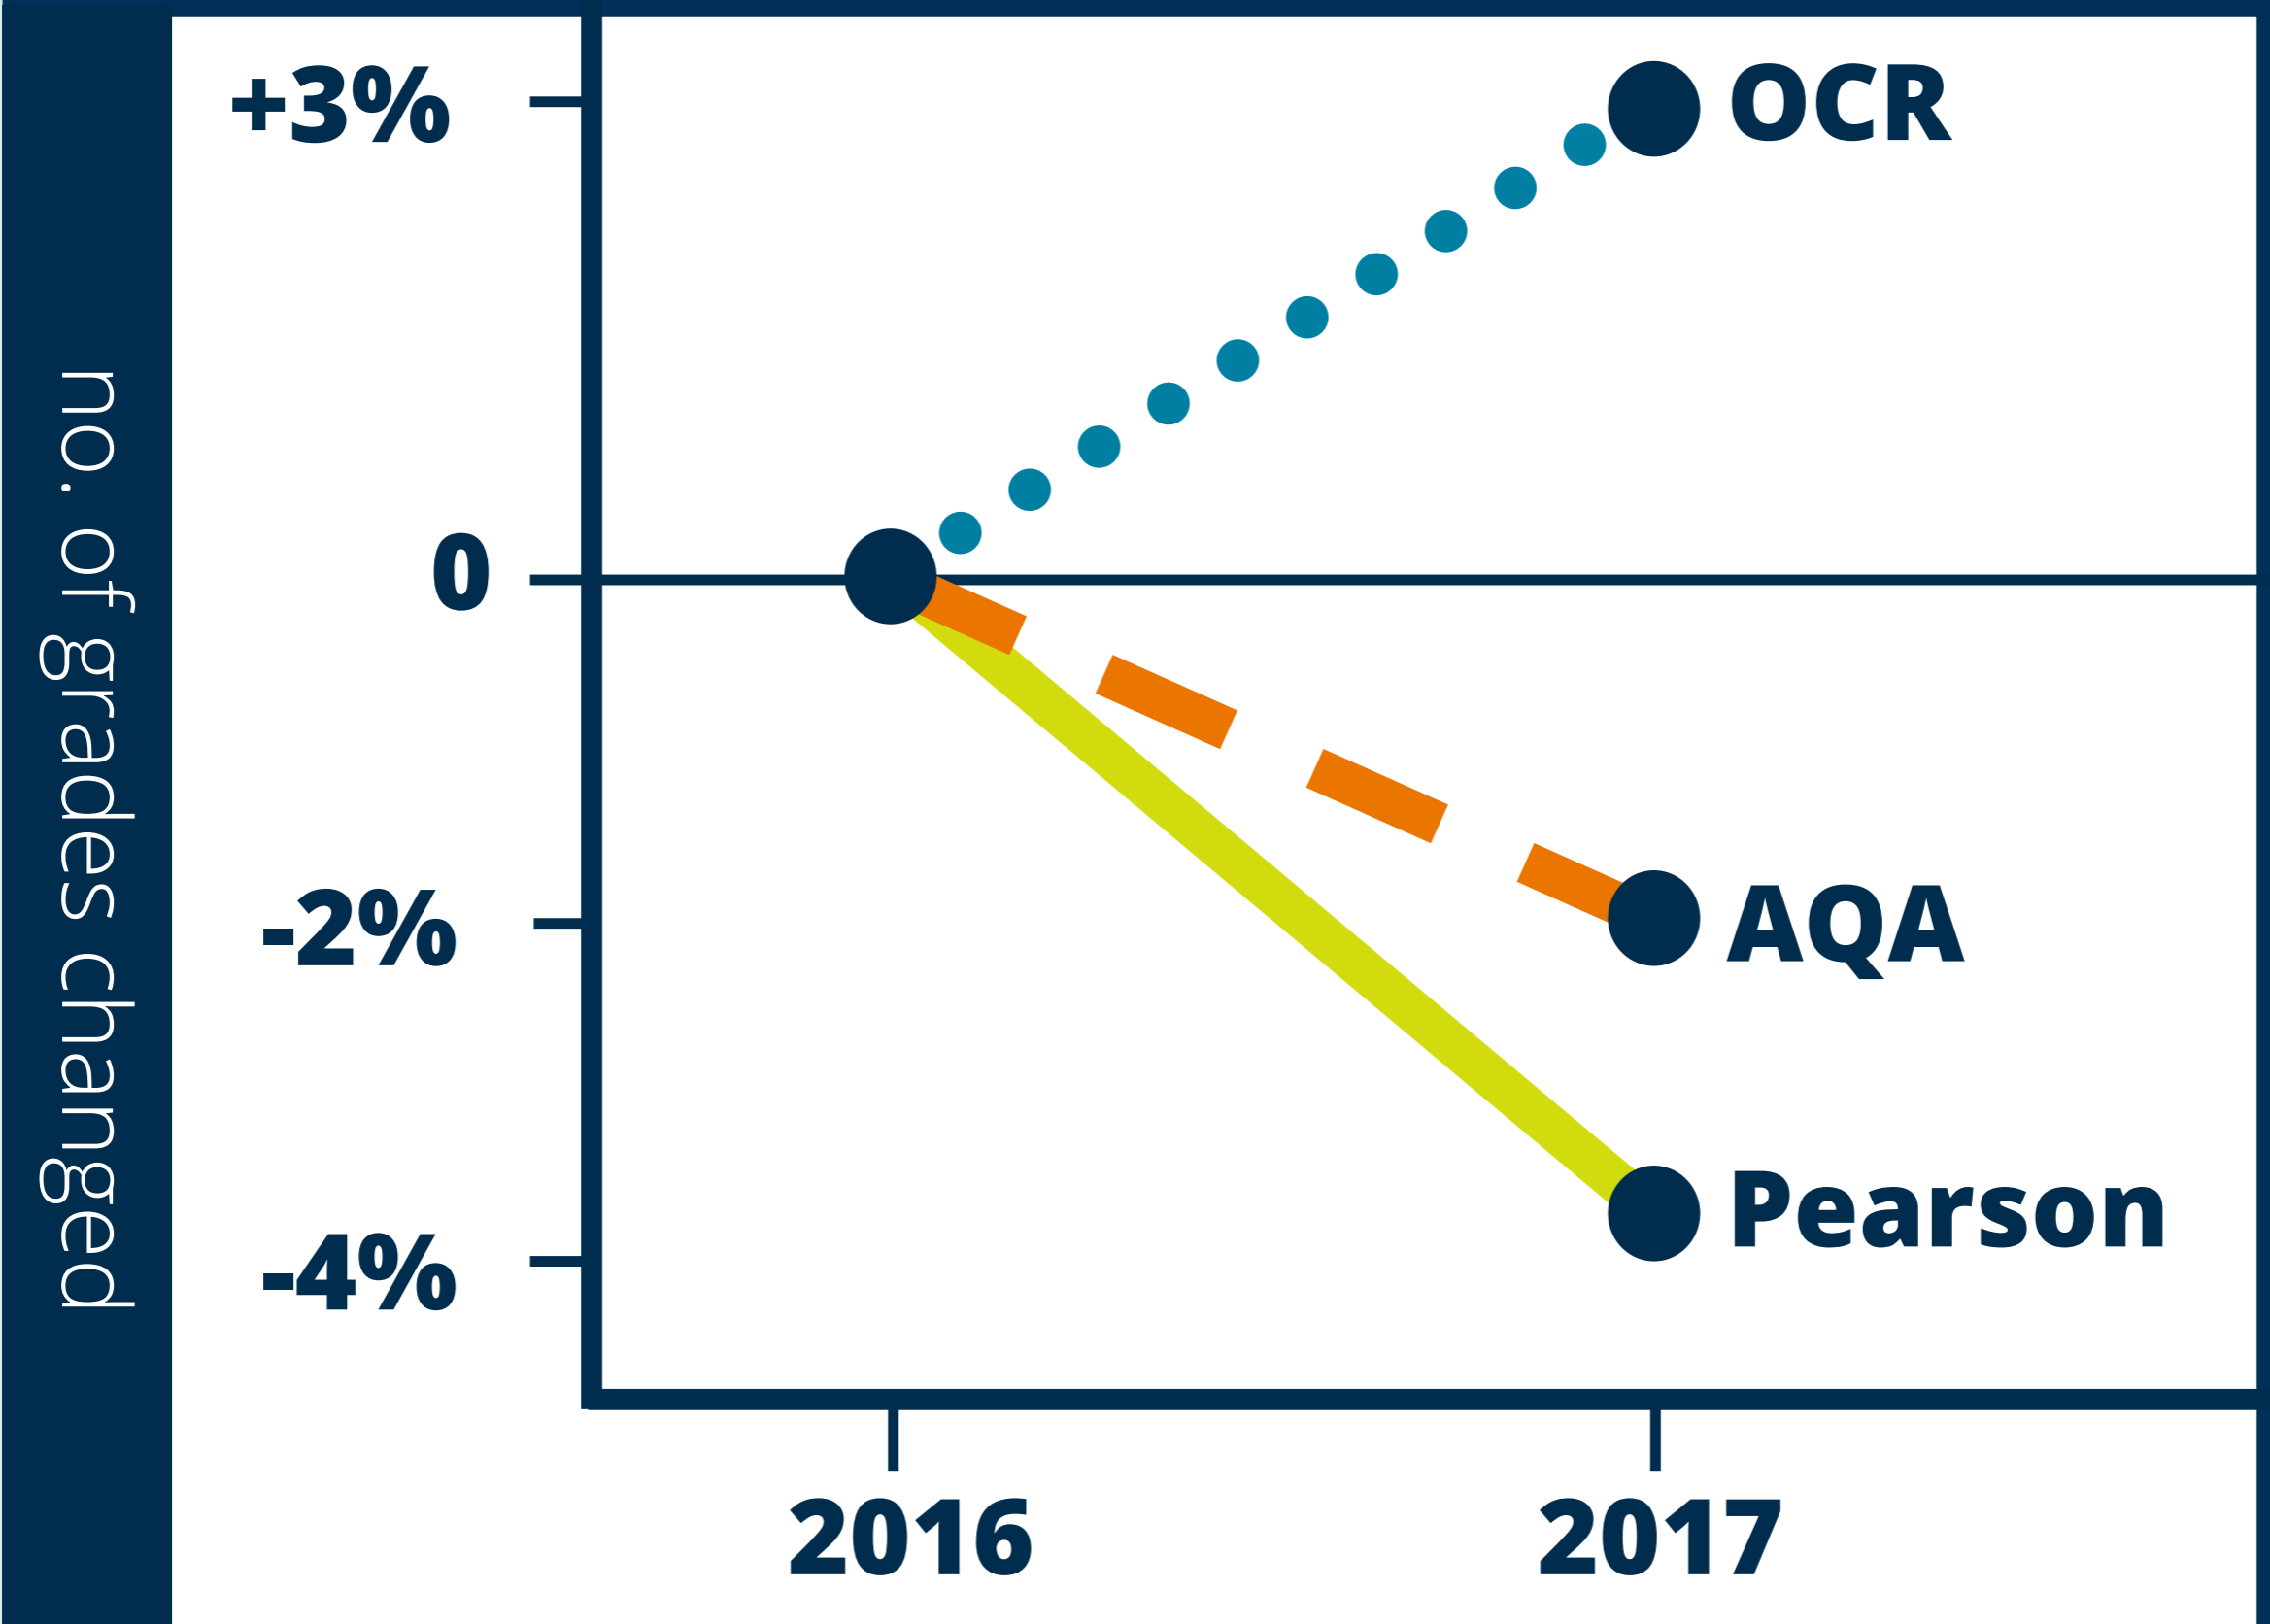

**99.3%** of Pearson AS and A level grades were accurate on results day.

Pearson had fewer AS and A level grades **challenged** in England than AQA

Pearson had fewer AS and A level grades **changed\*** in England than AQA

\*Grades were only changed where the original grade was inaccurate.

The Ofqual report says that:

“the data suggests that Pearson was more successful than the others at embedding the rules for reviews of marking.”
