Traineeships from Pearson **Simple, accessible, manageable**

We would like to introduce our new Traineeships offer:

- off-the-shelf packages with one-click entry or personalised programmes
- qualifications that provide progression for learners into employment, apprenticeships or further study
- resources to help with initial assessment, delivery and FELTAG requirements

Information on Traineeships from Pearson

Sector Development Forums

These free of charge Sector Development Forums for Work-Based Learning and Colleges are designed to inform, update and educate centres.

We currently have events in the following sectors:

- **Health and Social Care and Childcare**
- **Security**
- **Engineering**

The Traineeship Challenge

David Phillips, Vice President, Work Based Learning and Colleges recently spoke to FE News about Traineeships. 'Traineeship programmes need to become known as the route from unemployment to opportunity, a journey we should all support.'

Jamie Oliver's Home Cooking Competition 2015

We launched Jamie Oliver's Home Cooking Skills Competition 2015 back in February and after an amazing number of entries Jamie has selected the winners.

e-Assessment Survey

We are partners in an important survey being conducted by Jisc to find out how organisations in the FE and skills sectors are managing e-assessment and how they see its use developing over the next five years.
