Dear Ng

I am very pleased to advise you that credit has been awarded for the following ACA papers.

Accounting  
Business and Finance  
Management Information

Details of the basis of the credit awards are attached and in order to apply for credit students will need to have achieved a pass mark in the module/qualification listed for each of the ACA modules listed above.

Credit will be awarded from 2015 and is subject to compliance with the standard conditions of approval and any special conditions of approval which have been imposed. We will be in touch with you each year to check whether there have been any material changes to the qualifications which would impact upon the credit arrangements.

As always if you have any questions or need clarification of any point concerning the credit arrangements please do not hesitate to contact me.

Yours sincerely

## ACA CREDITS

### STANDARD CONDITIONS OF APPROVAL

- Approval is based on the programme as agreed including any changes identified as part of the review process,
- Any material changes to the approved scheme should be notified to ICAEW,
- All key ICAEW learning outcomes must continue to be covered and subject to appropriate assessment. Critical changes to the ICAEW syllabus will be notified to you and these will need to be incorporated as appropriate,
- The assessment strategy for specified modules must normally include an examination element of at least 50%. For any lesser examination weighting prior approval by ICAEW must be sought,
- In order to be awarded credit students must achieve a minimum mark of 50% in all modules specified for credit purposes, unless otherwise stated,
- Programmes will be monitored and Institutions will need to complete an annual return,
- When applying for credit students will need to supply a full transcript of their studies. Students who wish to apply for credit using non-standard courses should be prepared to submit syllabus and examination details.

### SPECIAL CONDITIONS OF APPROVAL

- No special conditions have been imposed
