Dear Richard

Letter of Recognition for Pearson BTEC Higher Nationals in Engineering

BAE Systems is the UK's largest defence and security company with approximately 34,800 employees based at around 50 sites in the UK.

We deliver a full range of products and services for air, land and naval forces, as well as advanced electronics, security, information technology solutions and support services. We are a leading supplier to the UK Ministry of Defence (MoD) and have market leadership positions in the air and maritime domains.

BAE Systems recognises the below qualifications as being fit for purpose in preparing Pearson's international learners for a role in the Engineering sector.

Pearson BTEC Level 4 Higher National Certificate in Engineering (QN: 603/0450/9)
Pearson BTEC Level 5 Higher National Diploma in Engineering (QN: 603/0451/0)

The qualifications will support learners to progress to employment or within employment in a wide range of job roles across the sector, specifically:

Qualification Name	Job Role(s)
Higher National Certificate in Engineering	Manufacturing Systems Technician
	Aeronautical Engineering Technician
	Engineering Maintenance Technician
Higher National Diploma in Engineering	Manufacturing Systems Engineer
	Aeronautical Engineering Engineer
	Engineering Maintenance Engineer

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

These qualifications will also support the individual, should they chose to progress in to further training.

Yours sincerely

Mark Donnelly
Apprenticeships & Skills Manager, Head Office
