

## Withdraw from role

I no longer wish to be considered for a specific qualification, sector or role but still want to be a Pearson Associate in other current capacity.

May 2017-Associate Support

### Issue

I still want to be and Associate, just not in my current capacity.

### FAQ

#### **How do I withdraw from a Pearson Associate role I hold?**

If you just want to withdraw from a contract or a role(s), please complete the request form under the Performance, Relations & Development category>Role removal>Withdraw from a role and the team will update your records accordingly. You will be eligible for future contracts for all other active roles.

#### **Will I still be able to hold other Pearson Associate roles?**

Yes.
